Title: TV AND VIDEO PRODUCTION STUDENT USE OF  
STATION PRODUCTION FACILITIES

Code: II0510

Policy Reference: N/A

---

Station production facilities are to be used by TV and Video Production students only under proper staff or instructional supervision.

Rehearsals for Student Workshop or other authorized student productions may be conducted in the evenings, or on weekends, if studio facilities are available, and only if staff or instructor supervision is present. Standard station paperwork will be used.
