Although the administration evaluates the level of position as vacancies arise and has reduced several, administration finds it necessary to continue this position at the Director level.

Motion It was moved by Dr. Hughes, seconded by Mr. Colón, to recommend to the full board approval of the recommendation to fill the Building Service Associate, Computer Support Specialist, and Director of Counseling positions.

Action Motion approved.

ITEM H. DISCUSSION ITEMS

H-1 FY2004-05 Budget Update/District Property Values

Mr. Sargent shared preliminary information on district property values, indicating that the Wisconsin Department of Revenue will provide final equalized valuation assessments in early October. This information will be shared with the board as soon as it is available and will be used to set the tax levy which goes to the board for approval at their regular meeting in October.
H-2 Budget Performance Reports (July 2005)

Mr. Sargent reviewed a new reporting structure to be used for monthly financial performance reporting to the board, to assist board members in gaining a better understanding of where MATC finances stand in relation to the overall budget, on a month-to-month basis.

Mr. Sargent noted various unplanned events that occurred in fiscal year 2004-05, which affected the fund balance. These included contractor fraud/theft and issues with MATC receivables.

H-3 Medicare Part D

Ms. Lynn Fugina shared information on Medicare Part-D, the new prescription drug coverage being offered for Medicare recipients effective January 2006. Using information received from our actuary, MATC has chosen the Medicare Subsidy option to integrate Medicare Part-D into our existing plans. MATC retirees will be advised NOT to enroll in the Medicare Part-D plan, but to continue with their current plan. MATC will continue to pay in lieu of Medicare Part-D, and will then seek reimbursement from Medicaid, at an estimated $445,000 annual reimbursement.

A comprehensive communication plan will be rolled out soon, as well as a number of on-site meetings to MATC retirees.
