H-6 Cost Analysis of Legal Fees

Listed on today’s agenda as a discussion item, Mr. Webber noted that the Cost Analysis of Legal Fees would be addressed today as an action item.

Attorney Brown reviewed the Cost Analysis of Legal Fees prepared in response to WTCS requirements, which in turn were in response to the August 2005 legal fees audit performed by the Legislative Audit Bureau. She noted that MATC currently has two legal firms on retainer – Michael Best & Friedrich being MATC’s primary outside counsel, and Dow Lohnes & Albertson, MATC’s communication counsel, which is on a minimal, modified retainer agreement.

MATC continually monitors the cost effectiveness of legal fee arrangements with outside firms and have made recent reductions to the retainers as warranted.

Committee members present were in favor of continuing the use of retainers for legal fees, as such agreements have thus far proven to be cost effective.

Motion It was moved by Dr. Hughes, seconded by Mr. Colón, to recommend to the full board approval of the continuation of MATC’s legal retainer agreements, as discussed.

Action Motion approved.
H-1 Banking Relationship with TCF Bank

Listed on today’s agenda as a discussion item, Mr. Webber noted that the Banking Relationship with TCF Bank would be addressed today as an action item.

Mr. Sargent provided an update on MATC’s relationship with TCF Bank, and their interest in opening a TCF branch on the MATC Campus to complement the existing student card program.

At the direction of this committee, an opinion from the WTCS State Office was sought. It was their recommendation that MATC exercise an option on our existing contract with TCF to allow for an onsite banking branch.

Motion It was moved by Dr. Hughes, seconded by Mr. Colón, to recommend to the full board approval to expand on the current relationship with TCF Bank, allowing for an on-campus banking branch, as discussed.

Action Motion approved.

ITEM H. DISCUSSION ITEMS

H-2 Budget Variance Analysis

Mr. Sargent provided an update on the current year budget, providing information related to revenues and expenses, FTEs and enrollment trends.

In response to questions raised by Mr. Colón, discussion ensued with regard to MATC salaries in comparison to the national average, noting a recent article in Milwaukee Magazine. Attorney Brown noted that a study was done by Grant Thornton approximately five years ago, which surveyed salaries of various non-faculty positions at the college. A copy of this report will be made available to committee members. Mr. Robert Hartung will investigate the possibility of having a new survey performed on MATC salaries, to include faculty positions. In reference to a recent study as published in the Chronicle for Higher Education, Mr. Hartung agreed to share this study with the committee.

Mr. Sargent shared that the budget principles and college priorities provided were constructed with direct input from issues raised at the AQIP conversation days, taking specific recommendations from faculty and staff.

H-7  Office of Corporate Learning Business Plans

By way of background, Mr. Sargent reported that the Office of Corporate Learning (OCL) has been very successful in its marketing activity, and has generated increased revenue. Recently requesting a budget increase, the OCL was asked to develop a detailed business plan to support such an request.

Ms. Sandy McClary reviewed the OCL business plan, and entertained questions of the committee. She noted the OCL, which has been experiencing significant growth in revenue with no additional resources, now requires additional resources to continue this trend.
