Action Items

FPO-8 Resolution to Establish Tax Levy for FY2005-06

Discussion Mr. Webber stated that the FPO Committee had deferred a recommendation regarding the resolution to the full board in order to allow full discussion.

Motion It was moved by Dr. Hughes, seconded by Mr. Maierle, to approve the Resolution to Establish Tax Levy for FY2005-06.

Discussion Mr. Webber expressed concern regarding the fund balance and its possible effect on students related to services, programs, and supplies.

Mr. James R. Walsh, interim provost, noted that the current average class size was virtually identical to last year’s size. He reported a 20 percent increase in the dollar amount of classroom supplies from the previous year to the current year, and a 24 percent increase in the other supplies category for academic departments.

Chairperson Bell noted that the Wisconsin Technical College System District Boards Association had urged the colleges to pass a reasonable levy. She stated that the needs of students should be balanced with the needs of taxpayers.

Ms. Baker expressed concern regarding cuts in essential areas that assist the communities served by the college.

Mr. Earle expressed concern regarding the number of Student Services positions that were funded by soft (grant) money. He noted that while the college had an opportunity to increase the tax levy by $2.7 million, administration, through careful planning, had recommended the increase be limited to $1.3 million, which would not have an impact on the approved levy. He stated that he was inclined to support the balanced levy as proposed by administration, if the board would direct funds into student services and academic support areas.

Chairperson Bell noted that her understanding had been that the $1.3 million would be applied to reserves. She suggested that the board would have to set priorities.
Ms. Amanda Gray asked that the board consider educational needs above advertising budgets and politics.

Dr. Hughes called the vote.

Action Motion approved, the roll call vote being as follows:

Discussion Mr. Michael S. Sargent, vice president and chief financial officer, reported that $1.3 million would be moved from debt service into the operation budget to be used for increased utility costs, with the balance allocated to the reserve fund.

Motion It was moved by Mr. Earle, seconded by Ms. Baker, to refer FPO-7, Resolution to Approve FY2005-06 Budget Modification, back to the FPO Committee to consider the possibility of working with the amount targeted for reserves and determine a plan to address Student Services concerns.

Action Motion approved.
