

DUAL ENROLLMENT ACADEMY

FOR HIGH SCHOOL SENIORS

2024-25
ACADEMIC YEAR

PRE-HEALTH

Downtown Milwaukee, Mequon, Oak Creek and West Allis Campuses

Students interested in getting a jump start into health-related education requirements will find the perfect fit with this Dual Enrollment Academy. Students complete most prerequisites for many of MATC's Healthcare Pathway associate degrees – see listing on the back. Students may also choose to transfer the courses to another college or university.

About

Dual Enrollment Academy (DEA) participants receive college-level training to begin careers in high-demand fields. Throughout their senior year, DEA students earn high school and college credits while spending the majority of their school day at MATC. The DEA is designed for students attending high schools within MATC's district.

Student Eligibility Requirements

- Be a 2024-25 high school senior
- Have a counselor recommendation
- Have a high school GPA of 2.0 or higher
- Be in good academic standing and on track to graduate from high school
- Have 90% attendance record in high school (exceptions made for illness)

SUMMER BEFORE DEA	MATC COURSES		CREDITS
	BIOSCI-700	Anatomy and Physiology Prep	0
SEMESTER 1	MATC COURSES		CREDITS

DUAL ENROLLMENT ACADEMY FOR HIGH SCHOOL SENIORS

PRE-HEALTH

Downtown Milwaukee, Mequon, Oak Creek and West Allis Campuses

Student Benefits

- High school seniors earn college credits and high school credits
- Students may earn an industry-recognized credential upon program completion
- Students attain an introduction to the college experience
- MATC offers virtual learning and hands-on experiences, and students benefit from their instructors' professional industry experience
- Credits earned through DEA can be applied to MATC programs in the future, which shortens the time and reduces the cost to complete a technical diploma or associate degree

Cost

Please contact your high school for parameters on tuition and books.

Tuition: \$5,240.19*

Books: \$494.00*

*2023-24 fees shown; 2024-25 fees may increase slightly. MATC's DEA Grant will cover all costs associated with the academy above the 18th credit.
