The District Board authorizes the administration of MATC to organize and codify the general policies and practices of the District Board to form a Policy Manual.

The Policy Manual will not supersede or override any portion of the employee-negotiated agreements or any ruling of any federal or state agency, nor shall it any time be applicable if contrary to law.

The Policy Manual shall be continuously updated to reflect changes incorporated by the District Board, state and federal legal rulings, or negotiated employment agreements. Such substantive changes or additions must be approved by affirmative action of the District Board. The administration is authorized to make necessary editorial changes in policies in order to maintain current accurate terminology or to eliminate sex-referenced or other biased language, as long as such changes do not alter the substantive context of the policy. Editorial language changes will be submitted to the District Board as an Information item.
