
Employees, students, and visitors of MATC shall be allowed to function in an atmosphere which is free from harassment on the basis of race, age, religion, color, sex, national origin, disability, and any other legally protected status.

Harassment by employees or students on the basis of race, age, religion, color, sex, national origin, disability, or other protected status is an unlawful practice and is prohibited.

In this context, harassment is defined as verbal and/or physical conduct which prevents or impairs an individual's fair and unbiased access to employment or educational opportunities and benefits. The term "harassment" will also encompass "sexual harassment."

"Sexual harassment" means unwelcome sexual advances, unwelcome requests for sexual favors, unwelcome physical contact of a sexual nature, or unwelcome verbal or physical conduct of a sexual nature. "Sexual harassment" includes conduct directed by a person at another person of the same or opposite gender. "Unwelcome verbal or physical conduct of a sexual nature" includes but is not limited to the deliberate, repeated making of unsolicited gestures or comments of a sexual nature; the deliberate, repeated display of sexually graphic materials which is not necessary for business purposes; or deliberate verbal or physical conduct of a sexual nature, whether or not repeated, that is sufficiently severe to interfere substantially with an employee's work performance or to create an intimidating, hostile, or offensive work environment.
This definition also applies when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment or enrollment; or

2. Submission to or rejection of such conduct by an individual is used as a basis for employment or academic decisions affecting the individual.

MATC shall comply with Section 38.12 Wis. Stats., by incorporating in its orientation program for newly entering student’s oral and written information on sexual assault and sexual harassment. Furthermore, MATC shall provide written information to every student annually. Coordination of compliance with this legislation is the responsibility of the President.

The MATC District Board shall annually submit a report to the Chief Clerk of each house of the legislature for distribution to the appropriate standing committees. This report shall indicate the methods the district board has used to comply with the requirements for both newly entering students and all students as required by the law.

The Wisconsin Technical College System District Board prohibits and will not tolerate the harassment of any employee or student by supervisory personnel, co-workers, students, or visitors.
