Progress Grades will be available online through INFOline to students enrolled in classes 14 weeks or longer. The student will receive written notification via email to his/her MATC email account regarding when Progress Grades are accessible on INFOline.

Progress Grades shall be based on the same grading criteria as the final grade in order that the student will have a valid indication of his/her progress.

1. The instructor must record the Progress Grade via INFOline.
2. Progress Grades are due the end of the sixth week of class.
