ASSOCIATE DEGREE PROGRAMS

GENERAL ADMISSION REQUIREMENTS

Milwaukee Area Technical College requires applicants to have a high school diploma or a GED for acceptance into any MATC associate degree program. Course placement testing is required of all entering students. If you do not meet requirements, you may seek to satisfy them through other available and appropriate avenues. These include: satisfactory completion of recommended courses, action by the appropriate departmental Admissions Committee, or special action of the Instructional Dean or his or her delegate. Your program counselor/advisor will discuss your entrance requirements with you. Admission requirements are subject to change without notice.
