### **Network Information for United Healthcare Options**

To search for a provider in the network you may call or search on the Web site.

Customer Service	800.360.7954
Web site address	www.umar.com

**Once on the Web site, follow these directions:**

1. Click on the 'Find a Provider' tab.
2. Click on Medical.
3. Click on 'UnitedHealthcare Options PPO' network.
4. Click on either Medical or Behavioral Provider directory.

Search the website for a Physician:

1. Select "Search Physician by Name, Location and/or Specialty"
2. Enter Physician Name, enter last name of Physician. The first name is not necessary.
3. Change Search Location, select your search for miles from an address or zip code, or select your search for the entire state. The search works best if you use more miles than the actual distance, use 20 miles instead of 10. Enter a zip code, a street address, city or state is not needed to return a search. If you search entire state, select the state you would like to search, leave this blank if you are searching using miles and a zip code.
4. Click "continue"
5. Click "All Specialties"
6. Click "continue"

Search the website for Facility

1. Select a search type
2. Enter facility name
3. Change Search Location, select your search for miles from an address or zip code, or select your search for the entire state. The search works best if you use more miles than the actual distance, use 20 miles instead of 10. Enter a zip code, a street address, city or state is not needed to return a search. If you search entire state, select the state you would like to search, leave this blank if you are searching using miles and a zip code.
4. Click "continue"
5. Click "continue"
6. From this page you can search the UnitedHealthcare Options PPO network by physician, facility/group or Medical Equipment/Supplies.
