All MATC Health Science students are required to complete and upload health requirements prior to petitioning for courses which contain a clinical component. MATC School of Health Sciences has partnered with Certified Background.com to provide health record tracking for all MATC Health Sciences students. The cost of the health record tracking is the responsibility of the student.

Use the steps below to complete the Certified Background (CB) electronic health record tracking process.

☐ Visit CertifiedBackground.com website: www.certifiedbackground.com
☐ Look for the place order box on the homepage.
☐ Enter the package code MF45im (package code is specific to the Occupational Therapy program)
☐ Follow the directions to setup your CB account

* The cost of the health examination and immunizations are your responsibility. You may be able to obtain health care services at your local Health Department or you may call 1-866-211-3380 for a list of clinics in your area.

* If a student is accepted into core technical courses via petitioning, he or she will receive instructions for completing mandatory drug testing. The cost for the drug testing is the responsibility of the student.

TWO STEP MANTOUX TUBERCULIN SKIN TEST:

Documentation of a Two Step test must be submitted. Skin tests are good for 1 year. If the 2-step is more than a year old, attach documentation of the past 2-step dates, along with a current annual update.

PROCEDURE:
Step 1:
A Mantoux Tuberculin Skin Test of 0.1 (STU) PPD is administered under the skin on the forearm. A health care professional must read the results within 48-72 hours. If negative perform step 2. If positive, must follow-up with a chest x-ray.
Step 2:
Repeat the test within 7 to 30 days after the application of the first test using the same strength of PPD. A health professional must read the results within 48-72 hours. If positive, must follow-up with a chest x-ray.

QUANTIFERON – TB GOLD TEST:

The TB Gold blood draw may be performed in place of skin tests. TB gold blood draws are good for one year and a copy of the lab report must be attached to the health packet.

Please read thoroughly and check the appropriate box.

☐ As a student, I understand that due to my occupational exposure to blood or other potentially infectious materials I may be at risk of acquiring Hepatitis B Virus (HBV) infection. I have been advised to be vaccinated with Hepatitis B vaccine. However, I decline Hepatitis B vaccination at this time. I understand that by declining this vaccine, I continue to be at risk of acquiring Hepatitis B, a serious disease. If in the future I continue to have occupational exposure to blood or other potentially infectious materials and I want to be vaccinated with Hepatitis B vaccine, I can pursue the vaccination series. I hereby release Milwaukee Area Technical College, its Board Members, and personnel, and any clinical facility at which I train from any liability for any consequences to me or any claims arising out of or related to my decision to be or not to be vaccinated. I hereby agree to indemnify all of the above persons and organizations for any and all claims, including the attorneys’ fees and costs, which may be brought against any one of them by anyone claiming to have been injured as a result of any injury which may occur as a result of my decision.

OR

☐ I do not wish to decline the Hepatitis B vaccine. I am currently in the process/or have completed the series. Understand that full immunity requires three doses of vaccine over a nine-month period.

In consideration of its educational value and individual benefits, students will be enrolling in courses that require him/her to assume the duties of his/her field of study. Students must follow standard precautions established by his/her program and clinical/field placement site. Depending on the program, students understand that there are a number of risks/dangers that may be encountered.

The student may come in contact with sharp, contaminated medical instruments, contagious diseases, infectious blood and/or body fluids, electrical instruments, electronic devices or other risks associated with patient care/non-patient care and the particular site.

Transportation and safety to, from and during the clinical experience is the responsibility of the student. Be aware that precautions must be taken when walking to and from parking lots at various times of the day and night.

The student is not eligible to participate in any of the fringe benefit programs the clinical/field placement site maintains. In addition, the student is not eligible for any unemployment benefits as a result of his/her participation in the program.

The student agrees and understands that he/she is responsible for his/her health and medical bills for sickness and injury. Any injuries that a student suffers while participating in the program will not be covered by the Wisconsin Worker’s Compensation Act. Therefore, it is critical that every participating student obtain health insurance coverage.

The student agrees to the fullest extent permitted by law, to indemnify, defend and hold harmless: MATC, its Board, agents, officers and employees from and against all loss and expense including costs and attorney’s fees by reason of liability for damages including suits, in law or in equity, caused by any wrongful, intentional or negligent act or omission of the student which may arise out of or in connection with the activities covered by the program.

In signing this release, the student acknowledges and represents that he/she has read and understands the above. The student further acknowledges that he/she is at least eighteen (18) years of age and fully competent to sign this agreement and release. Students under eighteen (18) years of age are required to have the signature of a parent or guardian on this agreement and release.

### ADA AND ESSENTIAL FUNCTIONS

The Americans with Disabilities Act (ADA) of 1990 (42 USC & 12101, et seq.) and the ADA Amendment Act of 2008, and Section 504 of the Rehabilitation Act of 1973 (29 USC & 794) prohibits discrimination of persons because of her or his disability. In keeping with these laws, Milwaukee Area Technical College makes every effort to ensure a quality education for students. To aid in student success, it is important to inform students of the essential functions demanded by a particular occupation. The purpose of this document is to ensure students acknowledge that they have been provided information on the essential functions required for their chosen program. To meet the Essential Functions, information on accommodations is available upon request of the applicant. Please visit the MATC Student Accommodation Services Department.
