The Associate in Arts (A.A.) degree provides students with the first two years of bachelor’s degree credit courses that will transfer to four-year colleges and universities. The courses in this degree emphasize the humanities and allow students many options to analyze information, think critically and creatively, respect diversity and collaborate with others. Students who plan to transfer should consult with the four-year university regarding specific requirements for a major and the credit transfer details.

Associate in Arts Online – Accelerated program also is available.
