

Spring 2012 Petition Windows for School of Health Sciences (Programs starting August 2012)

Students will be selected for core technical courses based on, but not limited to the following:

- Verification of residency – As directed by TCS 10, students selected via the petition process are chosen based on MATC district residency, then Wisconsin non-district residency, followed by non-residents, unless otherwise articulated.
- Limited to program capacity
- Verification of program requirements

The School of Health Sciences is **ONLY** accepting petitions for the following programs:

Dental Assistant
Health Unit Coordinator
Healthcare Services Management
Medical Coding
Medical Interpreter
Optician - Vision Care
Renal Dialysis

All completed petition documents must be received in H-116 (Milwaukee Campus) by

May 15, 2012

All mailed documents must

be postmarked by

May 15, 2012
