Truck Driving

As a graduate of this eight-week Truck Driving program, you will enter an industry in need of qualified workers. Developing skills related to safety, maintenance and the operation of trucks prepares you for entry-level positions as a local or over-the-road driver. Students have the opportunity to attain Class A or B CDL (Commercial Driver’s License) as a result of their training.

Career Outlook
Currently the need for qualified truck drivers remains high in Wisconsin. The demand for truck drivers is expected to continually increase due to the retirement of current drivers and the increased need for freight-carrying services.

Workplace Competencies
Employers expect graduates to:
• Drive a commercial vehicle safely
• Demonstrate knowledge of U.S. laws and regulations pertaining to the operation of a commercial vehicle
• Maintain and complete records properly
• Demonstrate the ability to plan trips and routes including managing cargo
• Inspect the vehicle to ensure safe operation

Admission Requirements
• High school diploma or GED
• Age 18 years or older
• Valid driver’s license and acceptable driving record
• Department of Transportation medical exam and drug test
