The primary mission of the Milwaukee Area Technical College is the delivery of instruction and support services to the postsecondary student or for the adult vocational needs of the District.

In an effort to support education preparing students for the global workforce, Milwaukee Area Technical College actively develops and provides optional international education opportunities for students and faculty/staff. These programs include, but are not limited to:

- 1) Language immersion programs
- 2) Occupational/career-centric experiences
- 3) Professional development

International landscapes are monitored regularly to ensure the safety of students abroad.

The district will ensure that these programs are in compliance with the American Disability Act.
