Title: DISTRICT INSTITUTIONAL RESEARCH	Code: H0300-3
Authority: N/A	Original Adoption: 12/13/72 Revised/Reviewed: 10/26/18 Effective: 5/27/09

Institutional Research conducts research for planning committees, academic divisions and programs, campuses, student services, finance, marketing, recruitment, and other college offices and locales. It undertakes market analyses and environmental assessments as well as reports college data to external sources, such as the Wisconsin Technical College System (WTCS) and departments of the federal government.
