Student Fees that are collected by Milwaukee Area Technical College are subjected to approval by the student body per Wisconsin Statute 38.145. As a result, the Director, Student Life and Budget Office will present the fiscal year budget to the District Student Government Association (DSGA) in the Spring semester each academic year in an effort to maintain transparency with students on the usage of activity fees.

DSGA will review the budget with the guidance of the Director, Student Life and provide feedback, questions, and suggestions as warranted. Additionally, the DSGA will hold a vote to approve the budget each Spring Semester for the following fiscal year.
