

DUAL ENROLLMENT ACADEMY

FOR HIGH SCHOOL SENIORS

2026-27
ACADEMIC YEAR

NUTRITION & DIETETIC TECHNICIAN

West Allis Campus

Learn about safe food handling and meal planning for healthcare and institutional food settings. Coursework includes preparation for ServSafe certification.

About

Dual Enrollment Academy (DEA) participants receive college-level training to begin careers in high-demand fields. Throughout their senior year, DEA students earn high school and college credits while spending the majority of their school day at MATC. The DEA is designed for students attending high schools within MATC's district.

Student Eligibility Requirements

- Be a 2026-27 high school senior
- Have a counselor recommendation
- Have a high school GPA of 2.0 or higher
- Be in good academic standing and on track to graduate from high school
- Have 90% attendance record in high school (exceptions made for illness)

DUAL ENROLLMENT ACADEMY

FOR HIGH
SCHOOL SENIORS

NUTRITION & DIETETIC TECHNICIAN

West Allis Campus

Student Benefits

- High school seniors earn college credits and high school credits
- Students may earn an industry-recognized credential upon program completion
- Students attain an introduction to the college experience
- MATC offers virtual learning and hands-on experiences, and students benefit from their instructors' professional industry experience
- Credits earned through DEA can be applied to MATC programs in the future, which shortens the time and reduces the cost to complete a technical diploma or associate degree

Cost

Please contact your high school for parameters on tuition and books.

Tuition: \$3,640.63*

Books: \$856.35*

*2025-26 fees shown; 2026-27 fees may increase slightly. MATC's DEA Grant will cover all costs associated with the academy above the 18th credit.

Additional costs to be covered by the student/family: \$134 (electronic health profile)

NUTRITION AND DIETETICS PATHWAY

Dietary Manager Certificate

Coursework includes instruction related to safe food handling, menu management and food service management. Dietary managers work in a variety of healthcare and institutional food settings.
