

# DUAL ENROLLMENT ACADEMY

FOR HIGH SCHOOL SENIORS

**2026-27**  
ACADEMIC YEAR

## PHLEBOTOMY

### Downtown Milwaukee Campus

Phlebotomists perform functions such as blood drawing, specimen processing, lab procedures and clerical duties. To prepare for this career, you will learn the theory and practical skills of phlebotomy through the on-campus laboratory sessions and clinical experiences at local healthcare facilities. As a graduate, you are eligible for national certifying examinations.

### About

Dual Enrollment Academy (DEA) participants receive college-level training to begin careers in high-demand fields. Throughout their senior year, DEA students earn high school and college credits while spending the majority of their school day at MATC. The DEA is designed for students attending high schools within MATC's district.

### Student Eligibility Requirements

- Be a 2026-27 high school senior
- Have a counselor recommendation
- Have a high school GPA of 2.0 or higher
- Be in good academic standing and on track to graduate from high school
- Have 90% attendance record in high school (exceptions made for illness)
