

## 2021-2022 Verification Worksheet

### Dependent Student – Tracking Group V5

Your 2021-2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your parent(s) reported on your FAFSA. To verify that you provided correct information the MATC financial aid office will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences between your FAFSA application information and this worksheet and/or documents you submitted, MATC will send corrections electronically to the federal processing center to have your application reprocessed. The MATC financial aid office may ask for additional information.
