

Emergency Medical Technician

TECHNICAL DIPLOMA Program Code: 30-531-3

Mequon and Oak Creek campuses

Prepare to enter the emergency services field, which involves working with other healthcare professionals to deliver critical, prehospital emergency medical care. This program also is designed to enhance existing skills of individuals working in the field. Completing the program with a grade of C or higher prepares you to take the National Registry Examination, required for certification and licensure in Wisconsin.

Career Outlook

Employment opportunities exist in both the private and public sectors.

After earning this technical diploma, your credits can be applied to completing the Fire Protection Technician associate degree.

Program Learning Outcomes

- Prepare for incident response and EMS operations
- Integrate pathophysiological principles and assessment findings to provide appropriate patient care
- Demonstrate EMT skills associated with established standards and procedures for a variety of patient encounters
- Communicate effectively with others
- Demonstrate professional behavior (For full description, see matc.edu.)

Admission Requirements

- Must be at least 18 years old when applying for the state EMT-Basic license
- Background check

Community & Human Services
