Program Description

Here's your recipe for learning to prepare and cook a variety of foods that require a short preparation time. This one-semester program focuses on developing skills to begin a career in the food service industry.

Career Outlook

Graduates will have entry-level skills for taking orders, serving customers and performing a variety of food preparation duties.

Program Learning Outcomes

- Demonstrate the ability to clean food-preparation areas, cooking surfaces and utensils according to industry standards.
- Differentiate proper handling of prepared-to-order food compared to food that is kept warm until sold.
- Assist cooks and kitchen staff with various tasks as needed.
- Cut, slice or grind meat, poultry and seafood to prepare for cooking.
