Liberal Arts and Sciences Four-Year College Transfer Program

This online accelerated degree program provides you with the first two years of bachelor's degree credit courses that will transfer to four-year colleges and universities. You can complete this degree entirely online and in one year of full-time study through five sessions. A session lasts seven or eight weeks. The degree also can be completed in more time, per your schedule. Students who plan to transfer are advised to consult with the four-year college/university regarding specific requirements for a major, and the credit transfer details. Contact an MATC advisor for more information.
