

Dietary Manager

CERTIFICATE

Program Code: 61-313-1

West Allis Campus

Bilingual (Spanish) mode also is offered.

Students enrolled in the Nutrition and Dietetic Technician associate degree program will complete all of this certificate's required courses as part of their program. Students have the opportunity to learn about safe food handling, meal planning, menu management and supervision. Students are eligible for ANFP Pre-Professional membership and upon successful completion of the program, graduates are eligible for the ANFP professional membership. A Registered Dietitian Nutritionist directly supervises a minimum of 25 of the 30 nutrition-related field experience hours and coordinates the entire 150 hours: 150 hours of precepted field experience overseen by a Registered Dietitian.

Upon completion of this certificate, students are eligible to take the nationally recognized CDM Credentialing Exam

offered by the Certifying Board for Dietary Managers. These professionals work in a variety of healthcare and institutional food settings.

A Quick Study

MATC certificate programs provide focused, career-centered learning and many can be completed in one semester. They fulfill the needs of local businesses and have the input of industry professionals. Certificate programs train you for specific skills that are in demand, improving your odds of getting the job.

Explore MATC's Certificate Programs

- Strengthen core skills
- Add traction to your résumé
- Enhance your employability
- Try out a new career
- Earn credits toward a related associate degree or technical diploma
- Ease back into college if you have been away for a while

All credits in certificate programs must be earned at MATC with a 2.0 cumulative GPA or higher.

Upon completion of the certificate's requirements, the student's transcript is notated with the credential earned.

Some certificates can be earned while completing associate degrees and/or technical diplomas that are eligible for financial aid. Certificate programs alone are not eligible for financial aid; contact MATC for details.

Credits earned in this certificate can be applied to completing the Nutrition and Dietetic Technician associate degree.

Possible Careers

- Dietary Manager
- Food Service Manager
- Nutrition Coordinator
