

# EKG Technician

PROGRAM CODE: 61-521-1

Certificate

## COURSES

COURSES	CREDITS
<b>BIOSCI-177</b> General Anatomy and Physiology ‡.....	4
<b>CVTECH-102</b> Introduction to CVT ‡.....	2
<b>CVTECH-110</b> EKG Analysis ‡.....	2
<b>CVTECH-115</b> Essentials of Cardiac Care 1 ‡.....	4

## CREDITS

Total credits needed to complete this certificate

**12**

‡ Prerequisite required.

Program curriculum requirements are subject to change.

Current MATC students should consult their Academic Program Plan for specific curriculum requirements.

MATC courses are offered in person, entirely online or partially online.

Check each course's delivery options in Self-Service at [selfservice.matc.edu](https://selfservice.matc.edu).

**Location:** Downtown Milwaukee Campus

**Start Dates:** January and August

**Admission Requirement:** High school diploma or equivalent. This program admits students through a waiting list process. Visit the program's webpage at [matc.edu](https://matc.edu) to view the waiting list process and all requirements.

**Academic Preparedness Requirements:** One year of high school-level biology, chemistry and algebra (grade C or higher)

**Financial Aid Eligible:** No

## Program Description

Learn the anatomy, physiology and pathology of the heart, and develop the skills needed to complete and interpret electrocardiograms (EKGs). This program prepares you to take the Certified Cardiographics Technician examination, leading to a Certified Cardiographics Technician (CCT) credential as administered by Cardiac Credentialing International (CCI).

Some certificates can be earned while completing associate degrees and/or technical diplomas that are eligible for financial aid. Certificate programs alone are not eligible for financial aid; contact MATC for details. All credits in certificate programs must be earned at MATC with a 2.0 cumulative GPA or higher. Upon completion of the certificate's requirements, the student's transcript is notated with the credential earned.
