Program Description

This program is designed for licensed practical nurses (LPNs) seeking to advance their careers by earning an associate degree in Nursing. Through a combination of classroom instruction, hands-on lab experiences and clinical practice, students build on their existing knowledge and skills to prepare for the role of a registered nurse. Graduates are eligible to sit for the NCLEX-RN exam.

Program Learning Outcomes

- Integrate professional nursing identity reflecting integrity, responsibility, and nursing standards.
- Communicate comprehensive information using multiple sources in nursing practice.
- Integrate theoretical knowledge to support decision-making.
- Integrate nursing process into patient care across diverse populations.
- Function as a healthcare team member to provide safe and effective care.
