

Automotive Express Lube Technician

CERTIFICATE

Program Code: 61-404-1

Oak Creek Campus

Drive your future forward by entering the automotive maintenance field. This certificate covers inspection and maintenance of automotive brakes, steering and suspension components, and provides instruction on express lube services. The lab courses feature hands-on learning with lab mockups and vehicles.

Admission Requirement

- High school diploma or GED recommended

After earning this certificate, your credits can be applied to completing the Automotive Maintenance Technician technical diploma.

A Quick Study

MATC certificate programs provide focused, career-centered learning and many can be completed in one semester. They fulfill the needs of local businesses and have the input of industry professionals. Certificate programs train you for specific skills that are in demand, improving your odds of getting the job.

Explore MATC's Certificate Programs

- Strengthen core skills
- Add traction to your résumé
- Enhance your employability
- Try out a new career
- Earn credits toward a related associate degree or technical diploma
- Ease back into college if you have been away for a while

All credits in certificate programs must be earned at MATC with a 2.0 cumulative GPA or higher.

Upon completion of the certificate's requirements, the student's transcript is notated with the credential earned.

Some certificates can be earned while completing associate degrees and/or technical diplomas that are eligible for financial aid. Certificate programs alone are not eligible for financial aid; contact MATC for details.
