### Program Description

As a graduate of this eight-week Truck Driving program, you will enter an industry in need of qualified workers. Developing skills related to safety, maintenance and the operation of trucks prepares you for entry-level positions as a local or over-the-road driver. Students have the opportunity to attain Class A CDL (Commercial Driver's License) as a result of their training.

### Career Outlook

Currently the need for qualified truck drivers remains high in Wisconsin. The demand for truck drivers is expected to continually increase due to the retirement of current drivers and the increased need for freight-carrying services.

### Program Learning Outcomes

- Perform basic truck driving operations.
- Adhere to safe truck driving operating procedures.
- Explain advanced operating practices.
- Explain vehicle systems and reporting malfunctions.
