At Milwaukee Area Technical College, the health and safety of our students, faculty, staff and administrators is our top priority. MATC is listening to the needs of our students, employees and community as we prepare for the Fall semester.

This Fall plan reflects our health and safety priority – and our work to meet needs in these key areas:

- Planning for possible changes.................................................................page 2
- Classes offered online/virtually, in person or a mixture of both .....................page 2
- Services for students available virtually and in person .....................................page 3
- Campus access for students and employees – including parking and public transportation.....page 7
- Health and safety protocols........................................................................page 8
- Financial planning......................................................................................page 9
STORMER SAFE + READY

PLANNING FOR POSSIBLE CHANGES
This document reflects our plans as of August 17, 2020. MATC is committed to monitoring the spread of COVID-19 and its impact on the community we serve and making adjustments to our plans based on this information. The plan will be updated and the updated plan will be shared as any such changes are made.

CLASSES OFFERED ONLINE/VIRTUALLY, IN PERSON OR A MIXTURE OF BOTH (Hybrid/Blended)

MATC continues to improve our classes – offered in flexible ways to meet student needs. Students shared feedback about their Spring experience and we listened. We are offering:

- Enhanced online and virtual options with interactive technology and stronger communication tools (about 60% of classes)
- Courses that mix face-to-face and virtual learning (about 10% of classes)
- Fully in-person courses tied to career-specific hands-on skills where needed – with safety measures that meet and exceed Centers for Disease Control and Prevention (CDC) standards (about 20% of classes)
- The remainder of classes, such as apprenticeships and clinicals, take place off campus and may take place in person or online based on program requirements (less than 10% of classes)

The college is offering options in semester-long and eight-week formats. Based on changing health conditions and public health recommendations and requirements, course type, location, dates or times may need to be changed. Students enrolled in courses will be notified if changes are made.

Ready to register? Visit matc.edu/register or see the registration section of this plan on page 3.

Looking for specific course types? You can search in Self Service or INFOnline for online, blended or hybrid courses.

Online classes are taught fully online. Students work on the class on their own schedule but adhere to due dates listed on the course syllabus. If an online course includes a scheduled meeting time with “VIRT” listed as the classroom, this means that students are required to attend virtual live lectures at a set date and time.

Hybrid classes are presented with a mix of online and in-person instruction, with 50% or more of the course happening online.

Blended classes are presented with a mix of online and in-person instruction, with 50% or more of the course happening in person.

For in-person classes, we're installing more safeguards, sanitation stations and signs to help people follow proper social distancing and other U.S. Centers for Disease Control and Prevention (CDC) protocols.

What hasn't changed? Our commitment to provide students a high-quality education from experienced instructors. Earn a high-quality, affordable degree and land a high-paying job right away – or complete your first two years of college and finish at a four-year university. MATC offers 170+ degree, diploma and certificate programs with industry-experienced instructors who make sure you’re ready to work on day one. We also connect you to 35+ four-year transfer partners, including our guaranteed admission agreements with Marquette University, UW-Madison, UW-Milwaukee and UW-Parkside.

Concerned about costs? Connect with Financial Aid at finaid@matc.edu or Student Accounts through Self Service to make an affordable payment plan. MATC also offers scholarships for eligible students. For emergency resources, visit our Coronavirus resources page.
### SERVICES AVAILABLE ONLINE AND IN PERSON

**STANDARD OFFICE HOURS STARTING MONDAY, AUGUST 10, 2020**
8 a.m.-6 p.m. Monday through Thursday and 8 a.m.-4 p.m. Friday, unless noted otherwise below

For additional information, visit [matc.edu/fall](http://matc.edu/fall).

<tr>
<td>TECHNOLOGY ACCESS</td>
<td>In response to COVID-19, MATC realizes that some students lack access to the technology necessary to participate in classes remotely. MATC has created several resources to connect with for virtual and online learning.</td>
<td>All MATC Libraries reopen on August 24, Monday through Friday, 7:30 a.m.-4 p.m.; closed on Saturdays and Sundays. Beginning August 31, hours will be Monday through Thursday, 7:30 a.m.-8 p.m.; Friday, 7:30 a.m.-4 p.m.</td>
</tr>
<tr>
<td></td>
<td><strong>Financial Aid Technology Allowance</strong></td>
<td></td>
</tr>
<tr>
<td></td>
<td>Included in students’ cost of attendance this year is an allowance for technology-related expenses. Students who are eligible for financial aid and have funds available after tuition and fees have been paid may utilize any remaining funds for technology-related expenses including computers, Chromebooks or Wi-Fi connectivity.</td>
<td></td>
</tr>
<tr>
<td></td>
<td><strong>Laptops and Wi-Fi Available</strong></td>
<td></td>
</tr>
<tr>
<td></td>
<td>If students have no other option to access Fall classes online, a limited number of Chromebooks and Wi-Fi hotspots are available. For more information, visit matc.edu/coronavirus/resources.</td>
<td></td>
</tr>
<tr>
<td></td>
<td><strong>Remote Access to Computer Labs</strong></td>
<td></td>
</tr>
<tr>
<td></td>
<td>MATC is making the technology and software available from anywhere! For remote computer access using any Mac, PC or Chromebook, start by going to <a href="http://rca.matc.edu">http://rca.matc.edu</a>.</td>
<td></td>
</tr>
<tr>
<td></td>
<td>• Then, select “VMware Horizon HTML ACCESS”</td>
<td></td>
</tr>
<tr>
<td></td>
<td>• Log in with your MATC username and password</td>
<td></td>
</tr>
<tr>
<td></td>
<td>• Click “DR-LabStats1” to launch a virtual Windows 10 Desktop</td>
<td></td>
</tr>
<tr>
<td></td>
<td>• In the virtual desktop, double click on the LabStats shortcut</td>
<td></td>
</tr>
<tr>
<td></td>
<td>• Select desired computer lab after the webpage opens and follow the instructions. If your lab isn’t listed, then:</td>
<td></td>
</tr>
<tr>
<td></td>
<td>– For faculty, contact the HelpDesk, 414-297-6541 or <a href="mailto:helpdesk@matc.edu">helpdesk@matc.edu</a>, and submit a HelpDesk Request with the Room Number and Class Roster/Code.</td>
<td></td>
</tr>
<tr>
<td></td>
<td>– For students, contact the instructor or the MATC IT HelpDesk, 414-297-6541 or <a href="mailto:helpdesk@matc.edu">helpdesk@matc.edu</a>.</td>
<td></td>

</table>
### Food Service

**Week of August 24:** Campus Cafes will be open: Mequon (Room A129) and West Allis (Room A145), Monday through Thursday, 8 a.m.-2 p.m. Oak Creek (Room A100), Monday through Friday, 8 a.m.-2 p.m. Downtown Milwaukee (S Building, Room S315), Monday through Friday, 7:30 a.m.-2 p.m.; H Bridge, Monday through Friday, 7:30 a.m.-1 p.m.

- Buffet-style services will not be available
- Bottled beverages are available; food service staff will pour self-service beverages
- Vending machines will be available to purchase snacks and beverages
- Social distancing guidelines observed when using vending machines – hands must be washed or sanitizer used before and after using the vending machine
- Campus Meal Plans will be available for purchase with financial aid funds through the **Bookstore online**, or in person from the Spirit Shop during its limited open hours. For payment with cash or credit card, visit any food service cashier, in person.
- Catering services will be available following COVID-19 guidelines

### Bookstore

**Online**

Textbook orders must be placed online at [bookstore.matc.edu](http://bookstore.matc.edu). Books will be shipped to students within one business day in most cases; there is no in-person pickup.

**In Person**

To purchase needed supplies such as backpacks, kits, thumb drives, etc., students can visit the following locations:

- **Downtown Milwaukee Campus** Spirit Shop, S Building, 3rd floor (opens August 24, limited hours); Bookstore closed
- **Mequon, Oak Creek and West Allis** Bookstores (opening planned for August 24, hours to be determined)

These supplies also are available for purchase online. Textbook orders must be placed online (see information at left).

### Child Care

**Children’s Centers**

The Children’s Centers are closed the week of August 17. MATC Children’s Centers at all four campuses will be open in Fall. Hours of operation will be 6:30 a.m.-5:15 p.m. weekdays at the Downtown Milwaukee Campus. Hours at regional campuses will be based upon need. All children must be pre-registered for services. The Children’s Centers follow all health and safety guidance. Students needing child care for daytime face-to-face classes, virtual classes or online work should contact the **MATC Children’s Center**, on the campus of their choice, prior to the start of classes to register their child.

- **Downtown Milwaukee Campus**, 414-297-7322
- **Mequon Campus**, 262-238-2456
- **Oak Creek Campus**, 414-571-4690
- **West Allis Campus**, 414-456-5419

For enrollment information, students can email frankiml@matc.edu.

### Athletics and Fitness

All Fall sports with the exception of women’s tennis have been moved to the Spring semester per the NJCAA. Men’s and women’s soccer is canceled for the 2020-21 school year with the department’s goal to bring back both programs in 2021-22. Our student-athletes will continue to work out with their particular sport during the Fall semester. Students with questions can contact the head coach.

No fitness facilities will be open to the college community with exceptions for CPR classes to be held.
For Students - Effective August 24, 2020

• All students must complete a health form before entering a campus at affirm.matc.edu. If there is a change in any of the answers provided after the form is completed, students must report this to studentcovidresponse@matc.edu.

• All students entering MATC campuses for classes or services undergo a temperature check as they enter the building.

• Students must bring their student ID and will swipe or tap their ID at entry. The swipe or tap will indicate whether a student completed the health form. If the student did not complete the health form, a laptop will be available to help the student complete the form. **Students will not be able to access an MATC campus without having completed this form.**

• **No ID?** There is an ID station at each MATC campus for students who do not have one (see list on page 8); students will be permitted to complete the health form at entry (or show that it was already completed by visiting affirm.matc.edu) and proceed to the ID station. The college also is preparing to launch an ID request form that can be completed virtually.

• Students with a course on campus in Fall will also complete required training to ensure they are familiar with health and safety protocols.

For Employees

• All employees must complete a health form before entering a campus at affirm.matc.edu. If there is a change in any of the answers provided after the form is completed, employees must report this to benefits@matc.edu.

• All employees entering MATC campuses undergo a temperature check as they enter the building.

• All employees are required to complete training on COVID-19 safety prior to returning to campus. This will be assigned to employees via SumTotal.

• The training is presented in two parts:
  (1) COVID-19: How to Be Safe & Resilient
  (2) Check Your Understanding: How to Be Safe & Resilient

• To access the training and other important information, employees visit the Safety During COVID-19 dashboard in SumTotal. They can reach out to Nick Brayton in Human Resources at braytonn@matc.edu with any questions pertaining to the required training.

For more information on safety and health protocols, see page 8.

Entrances

The following entrances will be open for Fall 2020 as of the publication date of this plan. Please note specific entrances will be open to employees only as noted below.

**Downtown Milwaukee Campus:**
• M Building, Entrance 2
• M Building, Entrance 7 (Operations, Public Safety and Approved Contractors Only)
• C Building, Entrance 1
• C Building, Entrance 5 (Employees With Card Access Only)
• S Building, Main Entrance
• T Building, Entrance 1
• T Building, West Entrance (Employees With Card Access Only)
• H Building, Main Entrance
• H Building, Child Care Entrance (Employees With Card Access Only)
• H Building, Lot Entrance (Employees With Card Access Only)
• FH Building (Employees With Card Access Only)
• HEC Building, Main Entrance

**Mequon Campus**
• Main Entrance 1
• Entrance 3
• Entrance 9

**Oak Creek Campus**
• Main Entrance 1
• ECAM Entrance 7
• Entrance 10 (Employees With Card Access Only)
• Aviation Center (Approved Faculty, Staff and Students Only)
• Loading Dock Entrance (Employees and Contractors Only)

**West Allis Campus**
• Main Entrance 1
• Main Entrance 3
• A Building (Approved Faculty, Staff and Students Only)
• 1205 Building (Approved Faculty, Staff and Students Only)
• Child Care (Approved Faculty, Staff and Students Only)
• Alley Entrance/Loading Dock (Employees and Contractors Only)

**Walker’s Square Education Center**
• Main Entrance
Parking and Public Transportation

Students enrolled in six or more credits can obtain a **U-PASS** for access to the Milwaukee County Transit System. Students pick up a U-PASS at any on-campus ID station inside the Student Life office:

- Downtown Milwaukee Campus, S Building Atrium
- Mequon Campus, Room A102
- Oak Creek Campus, Room A107
- West Allis Campus, Room 133

The student shuttle for the Downtown Milwaukee Campus will be in operation for the Fall semester, with capacity limits to ensure social distancing.

Student parking fees for the Fall semester have been discounted by 50%. Additionally, the daily in/out rate of $1.50 will be waived for all students with a valid permit.

Students can purchase permits for Fall 2020 in person from any MATC cashier for $12.50. Spring semester parking permits will be sold later.

Parking for students will be available at the following locations:

- **Downtown Milwaukee Campus** -
  - 8th & State Street (no charge)
  - Highland Avenue Parking Structure (formerly known as Bradley Center Parking Structure) (no charge)
  - Brewery (no charge)
- **Oak Creek Campus** - Students can park in any student lot with a permit.
- **Aviation Center** - Rear lot with student permit.
- **Mequon Campus** - Students can park in any student lot with a permit.
- **West Allis Campus** - Students can park in any student lot with a permit.

Employees were invited to apply for parking in the July 20 issue of *The Week Ahead*. Parking locations will be determined when permits are issued.

**HEALTH AND SAFETY PROTOCOLS**

- Masks must be worn on campuses at all times by employees, students and contractors; this includes outdoor spaces when social distancing cannot be maintained. A face shield is an additional protection option (available upon request) but is not a substitute for a mask.
- Building access is limited to designated, staffed entrances (see entry procedures on page 7)
- Individuals’ temperatures are taken (see entry procedures on page 7)
- Employees and students complete training prior to entering campus as required (see entry procedures on page 7)
- Classes are taught following social distancing and protective equipment guidelines including a mask that covers the nose and mouth
- Enhanced OSHA-compliant cleaning protocols are used
- Plexiglass barriers in high-traffic areas and hand sanitizer stations have been installed
- Cleaning wipes and antibacterial stations are made available throughout the college; employees and students are asked to use these and wipe down areas they touch
- Procedures are used to report positive tests and for contact investigation

**Students**

Students are not to return to campus if they feel ill. They are to contact their instructor prior to the start of class to report their absence.

Students will be required to comply with the above safety protocols. Masks will be provided or students can choose to wear their own appropriate mask that complies with the **MATC Student Code of Conduct**. As noted above, a face shield is an additional option for protection but is not a substitute for a mask that covers the nose and mouth. Students will not be permitted to return to campus for class if they do not take these required steps.

Students can contact their **Academic & Career Pathway office** or instructor if they have any questions.
**Employees**

**Personal Protective Equipment (PPE)**

To avoid duplication and ensure the best possible process, please consider requesting PPE as a department. The department leader can make a request for their entire department with Facilities Management. This includes masks, gloves, hand sanitizer, disinfecting wipes or any other requests for specific protective items. Face shields are available upon request and required in some areas (such as food service).

**Accommodations for Employees**

As schedules are determined for needed employees to return to campus, individuals needing accommodations as a result of a qualifying COVID-19 reason should contact the Benefits Department at benefits@matc.edu to start the request for accommodation process. This includes those who are immunocompromised or have child care needs.

**Elevator Access**

Elevators are restricted to a specific number of riders as indicated on signage. Due to capacity, we ask individuals who can to please use the stairs.

**Employees are to reach out to their supervisor** with any additional questions about their first day back to campus.

For more information about MATC Protocols & Procedures during COVID-19, employees can visit the Human Resources COVID-19 page on myMATC.

**FINANCIAL PLANNING**

MATC’s budget is driven by student enrollment for revenue and by fiscal management for expenses. To meet or exceed our enrollment goal will require innovative enrollment and retention strategies.

Managing costs in the upcoming 2020-21 fiscal year will be critical.

With 90% of our budgeted expenses dedicated to employee wages and benefits, we have implemented an external hiring freeze. Rare exceptions would be made for roles considered critical and positions fully funded by grants. We have reduced discretionary spending – which makes up the remaining 10% of MATC’s operating expenses – to the lowest levels possible. This includes a significant reduction of budgeted travel expenses.

The budget reflects the likely scenario that state support to the technical college system will be reduced because of decreases to state revenues.

In addition, MATC is offering an additional opportunity for eligible employees to select a Voluntary Separation Incentive Payment (VSIP). The next offering will be effective December 18 and eligible employees were notified in early August. Election forms will be due by November 2.

The college will use enrollment data to inform whether additional cost-saving measures are needed. Enrollment is the single most important driver for MATC’s budget.

All employees should share the importance, value and quality of the education we offer to those they know who are considering their options during this difficult time. Everyone must focus on enrollment and retention strategies, and all employees must consider the realities our students are experiencing so we can best serve them.

MATC’s leadership team is monitoring enrollment daily, while considering additional cost-saving measures that may need to be put in place if enrollment goals are not achieved.
