INDEPENDENT AUDITORS' REPORT

Board of Directors
Milwaukee Area Technical College Foundation, Inc.
Milwaukee, Wisconsin

We have audited the accompanying financial statements of Milwaukee Area Technical College Foundation, Inc. (the "Foundation"), which comprise the statements of financial position as of June 30, 2015 and 2014, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of June 30, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

MILWAUKEE AREA TECHNICAL COLLEGE FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS As of and for the Years Ended June 30, 2015 and 2014

NOTE 1 - Summary of Significant Accounting Policies

Nature of Activities

Milwaukee Area Technical College Foundation, Inc. (the "Foundation") is a not-for-profit corporation organized and operated to secure community involvement with, including financial support of, Milwaukee Area Technical College ("MATC"). The specific purposes of the Foundation are to solicit, hold, manage, invest and expend contributions, grants and bequests (including endowment gifts) exclusively for the maintenance, support and benefit of MATC.

MPTV is a program of MATC and consists of two traditional television stations, WMVS and WMVT, which are licensed to MATC; seven additional digital television services; a state-of-the-art production facility; the website mptv.org; the monthly magazine Fine Tuning; and an Associate Degree program in Television and Video Production through MATC. In addition, the Foundation acts as the depository of contributions for the benefit of MPTV. All contributions received related to MPTV are considered temporarily restricted. As MATC incurs expenses relating to MPTV, MATC requests reimbursement from the Foundation at which time the contributions are released from restriction.

Cash and Cash Equivalents

The Foundation defines all cash and cash equivalents as highly liquid, short-term investments with a maturity date at acquisition of three months or less. Cash and money market accounts that are held for unrestricted purposes at investment brokers are classified as cash and cash equivalents.

Restricted Cash

The Foundation holds and manages contributions for the benefit of MPTV under agreements between the Foundation, MPTV Friends, Inc., and MATC. Funds not invested are held in a separate cash account solely for the benefit of MPTV.

Contributions Receivable

Contributions made to the Foundation are recorded in the year the commitment is made. Amounts that are expected to be collected after one year are discounted at 1.9% and are reflected in the financial statements at their net present value. An allowance for uncollectible contributions is determined based on experience. No allowance for uncollectible contributions receivable is considered necessary as of June 30, 2015 and 2014. If amounts become uncollectible, they are charged to the allowance in the period in which that determination is made.

Investments

Investments are generally recorded at fair value based upon quoted market prices, when available, or estimates of fair value. Donated assets are recorded at fair value at the date of donation, or, if sold immediately after receipt, at the amount of sales proceeds received (which are considered a fair measure of the value at the date of donation). Investment income or loss and unrealized gains or losses are included in the statements of activities as increases or decreases in unrestricted net assets unless the income or loss is restricted by donor or law. Money market accounts that are held for restricted purposes at investment brokers are classified as investments.

NOTES TO FINANCIAL STATEMENTS
As of and for the Years Ended June 30, 2015 and 2014

NOTE 1 - Summary of Significant Accounting Policies (continued)

Deferred Revenue

Deposits received for special events in future years are recorded as deferred revenue at year-end.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Foundation are classified and reported as follows:

Unrestricted Net Assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily Restricted Net Assets - Net assets subject to donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the Foundation pursuant to those stipulations.

Permanently Restricted Net Assets - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Foundation.

Tax-Exempt Status

The Foundation has received notification that it qualifies as a tax-exempt organization under Section 501 (c)(3) of the U.S. Internal Revenue Code and corresponding provisions of State law and, accordingly, is not subject to federal or state income taxes. However, any unrelated business income may be subject to taxation.

Revenue Recognition

Contributions, including contributions receivable, are recognized in the period received. Conditional contributions are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

The Foundation reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. In the absence of donor specification or law that income and gains on donated funds are restricted, such income and gains are reported as unrestricted income.

Donated Goods and Services

Contributions of services are recognized if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Contributions of goods are stated at fair value at the date of the gift. Such goods and services totaled \$366,259 and \$460,333 for the years ended June 30, 2015 and 2014, respectively, and are reflected as in-kind contributions and expense on the statements of activities.

NOTE 1 - Summary of Significant Accounting Policies (continued)

Reclassification

For comparability, certain 2014 amounts have been reclassified to conform with classifications adopted in 2015. The reclassifications have no effect on reported amounts of net assets or change in net assets.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The Foundation has evaluated subsequent events through September 23, 2015, which is the date that the financial statements were approved and available to be issued.

MILWAUKEE AREA TECHNICAL COLLEGE FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS As of and for the Years Ended June 30, 2015 and 2014

NOTE 2 - Investments (continued)

The Foundation invests in various securities which, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of financial position and statements of activities.

NOTE 3 - Fair Value Measurements

As defined in current authoritative guidance, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining fair value, the Foundation uses various valuation methods including the market, income and cost approaches. The assumptions used in the application of these valuation methods are developed from the perspective of market participants pricing the asset or liability. Inputs used in the valuation methods can be either readily observable, market corroborated, or generally unobservable inputs. Whenever possible, the Foundation attempts to utilize valuation methods that maximize the use of observable inputs and minimize the use of unobservable inputs. Based on the observability of the inputs used in the valuation methods, the Foundation is required to provide the following information according to the fair value hierarchy. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values. Assets and liabilities measured, reported and/or disclosed at fair value will be classified and disclosed in one of the following three categories:

- | | |
|---------|---|
| Level 1 | Quoted market prices in active markets for identical assets or liabilities. |
| Level 2 | Observable market based inputs or unobservable inputs that are corroborated by market data. |
| Level 3 | Unobservable inputs that are not corroborated by market data. |

MILWAUKEE AREA TECHNICAL COLLEGE FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS As of and for the Years Ended June 30, 2015 and 2014

NOTE 3 - Fair Value Measurements (continued)

The tables below present the balances of financial instruments carried at fair value on a recurring basis by level within the hierarchy.

NOTES TO FINANCIAL STATEMENTS
As of and for the Years Ended June 30, 2015 and 2014

NOTE 4 - Contributions Receivable

Contributions receivable as of June 30 are expected to be collected as follows:

	2015	2014
Less than one year	\$ 258,092	\$ 232,748
One to five years	166,667	358,334
Less: Discount to present value	(8,903)	(9,265)
Total contributions receivable	\$ 415,856	\$ 581,817

Approximately 85% and 84% of contributions receivable is from one donor at June 30, 2015 and 2014, respectively.

NOTE 5 - Net Assets

Unrestricted net assets at year-end are composed of:

	2015	2014
Unrestricted reserves	\$ 891,969	\$ 1,008,581

Temporarily restricted net assets relate to approximately 170 funds restricted for purposes related to college activities, including scholarships, instruction and academic support and television operations as directed by the donors. Temporarily restricted net assets at year-end are composed of:

	2015	2014
Restricted for MPTV	\$ 6,896,798	\$ 6,182,915
Restricted for other purposes	1,822,433	2,012,637
Total temporarily restricted net assets	\$ 8,719,231	\$ 8,195,552

Permanently restricted net assets consist of approximately 60 endowment funds to be held indefinitely. Permanently restricted net assets at year-end are composed of:

	2015	2014
Restricted for endowment	\$ 2,901,353	\$ 2,839,072
Restricted for MPTV endowment	102,061	102,061
Total restricted for endowment	\$ 3,003,414	\$ 2,941,133

MILWAUKEE AREA TECHNICAL COLLEGE FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS As of and for the Years Ended June 30, 2015 and 2014

NOTE 6 - Related Party Transactions

The Foundation incurs expenses in the form of salaries, benefits, rent, maintenance, and other operational expenses that are provided by MATC. MATC bills the Foundation for a portion of the services they provide. For the years ended June 30, 2015 and 2014, \$50,000 was paid for the services provided by MATC. Expenses incurred beyond the amounts paid are recorded as in-kind contributions and expenses. For the years ended June 30, 2015 and 2014, \$324,099 and \$248,722, respectively, were recorded as in-kind contributions and expenses.

The Foundation disburses scholarships, program grants, reimbursements related to MPTV activities, and donated property and equipment to MATC. The amounts disbursed to MATC are described in Note 8. As of June 30, 2015 and 2014, \$5,000 and \$17,017, respectively, were payable to MATC.

NOTE 7 - Endowment Funds

The Foundation follows current authoritative guidance, which provides guidance on classifying net assets associated with endowment funds held by organizations that are subject to an enacted version of Uniform Prudent Management of Institutional Funds Act ("UPMIFA"). A key component of the guidance is a requirement to classify the portion of a donor-restricted endowment fund that is not classified as permanently restricted net assets as temporarily restricted net assets until appropriated for expenditure. The Foundation has included all unappropriated cumulative investment earnings and losses as permanently restricted net assets.

The Foundation's permanently restricted endowment fund ("Endowment Fund") consists of approximately 60 individual funds established for a variety of purposes. This endowment includes donor-restricted endowment funds only. As required by Generally Accepted Accounting Principles ("GAAP"), net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Foundation has also established a board designated quasi-endowment fund in February 2014 to benefit Milwaukee Public Television. This endowment was created using temporarily restricted contributions previously received for the benefit of MPTV.

Interpretation of Relevant Law - The Foundation has interpreted UPMIFA enacted in the State of Wisconsin as requiring the creation of an endowment of permanent duration with the original value of a donor's gift when a donor's gift instrument evidences such intent by use of terminology consistent with UPMIFA, unless other language in the gift instrument limits the duration or purpose of the fund. As a result of this interpretation, the Foundation classifies as permanently restricted net assets (a) the original value of the gift donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment from investment earnings and losses in excess of appropriations and an annual service fee expense of 1.0% of the endowment fund balance.

MILWAUKEE AREA TECHNICAL COLLEGE FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS As of and for the Years Ended June 30, 2015 and 2014

NOTE 7 - Endowment Funds (continued)

On a semiannual basis, the Foundation transfers 2.0% of the 12 quarter rolling average balance of each endowment fund to scholarships and programs. At the time of the transfer, the funds are considered appropriated for expenditure by the Foundation. Individual endowment funds will not transfer a semi-annual amount to scholarships and programs if the individual endowment fund balance is below \$10,000. In accordance with UPMIFA, unless the donor's gift instrument otherwise specifically limits the authority to appropriate for expenditure or accumulate, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

1. The duration and preservation of the fund
2. The purposes of the Foundation and the donor-restricted endowment fund
3. General economic conditions
4. The possible effect of inflation or deflation
5. The expected total return from income and the appreciation of investments
6. Other resources of the Foundation
7. The investment policies of the Foundation

Endowment net asset composition by type of fund consists of the following at June 30:

	2015		2014	
	Temporarily Restricted - Quasi- endowment	Permanently Restricted	Temporarily Restricted - Quasi- endowment	Permanently Restricted

Strategies Employed for Achieving Objectives - To satisfy its long-term rate-of-return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Foundation targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy - Semi-annually, on December 31 and June 30, the Foundation transfers 2% of the 12 quarter rolling average balance of each endowment fund to scholarships and programs. At the time of the transfer, the funds are considered appropriated for expenditure by the Foundation. Individual endowment funds will not transfer a semi-annual amount to scholarships and programs if the individual endowment fund balance is below \$10,000.

The Foundation and MPTV have an agreement regarding the administration of the MPTV Investment Fund, which has been designated a quasi-endowment by the Foundation board. The agreement states that the Foundation's disbursement rate under its spending policy will be applied to the quasi-endowment unless management of MPTV and MATC request otherwise. MPTV requested that the Foundation use a 5% annual disbursement rate for fiscal year 2015.
