Dual Enrollment Academy (DEA) participants receive college-level training to begin careers in high-demand fields. Throughout their senior year, DEA students earn high school and college credits while spending the majority of their school day at MATC. The DEA is designed for students attending high schools within MATC’s district.

Eligibility Requirements – Student Must:
- Be a 2020-21 high school senior
- Have parent/guardian approval and high school approval to enroll in MATC’s Dual Enrollment Academy
- Have a high school GPA of 2.0 or higher
- Be in good academic standing and be on track to graduate from high school
- Meet MATC entrance requirements
- Complete one year of high school-level biology and chemistry with grade of C or higher
- Submit ACT test scores by the end of the 2019-20 school year
- Acknowledge and sign the Family Educational Rights and Privacy Act (FERPA) statement
- Have 90 percent attendance record in high school
- Complete Nursing Assistant training program prior to enrollment in DEA

Student Benefits
- High school seniors earn college credits and high school credits
- Students earn an industry-recognized credential upon program completion
- Students attain an introduction to the college experience
- MATC’s labs and work spaces feature state-of-the-art technology, and students benefit from their instructors’ professional industry experience
- Credits earned through DEA can be applied to MATC programs in the future, which shortens the time and reduces the cost to complete a technical diploma or associate degree

Are you interested in participating in a Dual Enrollment Academy? Come to an information night to check out the program, meet instructors and find out your next steps.
