

Individualized Technical Studies

ASSOCIATE DEGREE

Program Code: 10-825-1

All campuses

This associate degree program is designed to meet specific educational needs of students, business and industry not currently served by other degree programs. It is a customized program for students who need to combine skills and knowledge from different disciplines to be productive in tomorrow's workforce.

A Specialized Degree

The curriculum for an Individualized Technical Studies degree will be drawn from existing offerings at MATC. This degree may be earned through the Schools of Business, Health Sciences, Liberal Arts and Sciences, Media and Creative Arts, or Technology and Applied Sciences.

Admission Requirements

- A high school diploma or GED
- Interview with the program coordinator to evaluate career goals and determine if the program is appropriate
- Develop a formal portfolio to document the process
- Establish degree requirements and a timeline for degree completion
