Discussion

Dr. Cruz shared the following:

- Attended the Hispanic Professionals of Greater Milwaukee Scholarship Reception on May 29, where MATC students were awarded scholarships.
- On May 31, Dr. Cruz attended the 8th annual Oak Creek Campus car show, which drew approximately 750 attendees and featured 325 vehicles in 18 categories. This family-friendly event highlighted MATC's automotive programs, allowing prospective students to

connect with faculty and current students. The event also raised over \$3,000 for the MATC Drive student fund.

- On June 17, MATC hosted a Juneteenth Flag Raising Ceremony at the Downtown Campus. Speakers Kyle Hayden and Courtney Kelly emphasized the symbolism of the Juneteenth flag and highlighted Milwaukee's unique, long-standing Juneteenth celebrations. The flag raising was accompanied by "Lift Every Voice and Sing," and then followed by a moment of silence
- Dr. Cruz walked with the MATC delegation at Milwaukee's 54th annual Juneteenth Day parade on June 19th along with approximately 40 students, staff, and alumni. MATC representatives distributed fans and water bottles, while the Recruitment team and Milwaukee PBS staffed booths.

This rule requires MATC to ensure all digital resources are fully accessible to everyone, including individuals with disabilities. By April 24, 2026, all of MATC's online content – website, mobile apps, digital course materials, administrative systems like registration, and even social media – must meet specific accessibility standards, which ensure usability for individuals with visual, hearing, cognitive, or dexterity disabilities.
- Workforce Solutions Salesforce achieved a contract revenue of \$1,862,012, exceeding its FY25 goal of \$1.4M.
- PBS surpassed its \$8 million fundraising goal for the fiscal year.
- Ms. Laura Bray, vice president of College Advancement and External Communications and Executive Director of the MATC Foundation, is departing MATC on July 3rd to become president of the UWM Foundation.
 - Since joining MATC in 2017, Ms. Bray's exceptional leadership has been transformative, evidenced by a staggering 532% increase in student scholarships and the MATC Foundation raising \$34.5 million under her eight-year tenure, a dramatic increase from the \$4.28 million raised in the prior eight years.
 - Dr. Cruz extended his gratitude for Ms. Bray's contributions and expressed confidence that the strong foundation she built will continue to propel MATC forward.

Fall Semester Talent Acquisition Update

We're in the final stages of our fall semester hiring push, and it's been a busy and productive season. This summer, we collaborated with the Student Recruitment department at the Juneteenth celebration, where we enjoyed sharing their booth and distributing materials to potential candidates. We will continue this partnership at the upcoming Mexican Fiesta by providing our recruitment job QR cards for additional advertising.

Additionally, our team is scheduled to attend the job fair sponsored by Superior on August 21 at the Tripoli Shrine Center. We're also preparing for a series of college pathway job fairs to connect with and attract a strong pipeline of future talent.

Faculty Hiring Update

This semester, we've successfully onboarded a board group of full-time and part-time faculty members. Our focus remains on recruiting exceptional educators who will provide the best possible experience for our students. We're proud to see a strong representation of new faculty who embody our commitment to student success and academic excellence.

Part I: PROCUREMENTS**Item 1: YUJA SOFTWARE – DISTRICTWIDE****Background Information:**

The MATC Online Learning Pathway is requesting the purchase of a three-year contract of Yuja software. The purchasing process for this software was initiated and overseen by Patricia Holt, Executive Dean, Learning Support.

Yuja is a lecture capture/screen capture tool used within all instructional methods. The tool allows faculty to record themselves, their screen(s) and can include quizzes right in the recording. The tool also meets the ADA Compliance requirement of closed-captioning. All recordings can be closed-captioned prior to publishing. Students and staff can also use this tool for assignments and projects.

Faculty typically save the recordings as part of their online or partially online courses. This improves learning because students can watch the recordings multiple times and with mobile devices. Faculty can also determine who has watched the recording in order to reach out to students and stress the need to view the content to enhance their learning. Included in our contract is unlimited storage which is a huge cost savings when compared to similar tools.

This purchase will be made under the WTCS Purchasing Consortium BID 24-005AM which meets all state of Wisconsin Procurement Requirements.

The requested vendor does not have HUB (Historically Underutilized Business)/minority status.

Positive action by the MATC District Board will result in a purchase from Yuja Inc of San Jose, CA for a cost of \$155,676.07 (total cost of three (3) year contract).

Part I: PROCUREMENTS**Item 2: CONSILIENCE CONTRACT SPEND UPDATE - DISTRICTWIDE**

This is an update on the spend with Consilience. While it was originally reported that the estimated annual spend would be approximately \$40,000.00 for up seven years, it has been found that their consultant skills have fit multiple niche needs, and the annual spend has far surpassed the original estimate. This fiscal year one project alone will be \$140,000.00.

The new estimated annual spend for remaining possible extensions of the contract – if all extensions are used this contract will run through June 30, 2028 – will be approximately \$175,000.00 annually.

Within MATC's Transformations 2025 Strategic Plan, there are several initiatives which have the potential of gaining additional private sector support such as the MATC Promise, cooperative education, re-entry and incarcerated programs, and student wraparound services. Expertise is needed to facilitate the process to go from a rough concept to a well-formulated implementation plan that includes a logic model, articulated theory of change, clear budget, and desired outcomes prior to seeking funding.

Therefore, the district wishes to engage the professional services of a reputable firm to facilitate the development of project plans and grant writing for projects tied to the college's Transformations 2025 Strategic Plan.

Item 5 EMPLOYEE WELLNESS SERVICES - DISTRICTWIDE

Background Information:

The Human Resources Division is requesting the purchase of Employee Wellness Services. The purchasing process for this service was initiated and overseen by Alea Benston, Director of Talent Operations.

Milwaukee Area Technical College is committed to health risk management initiatives that can serve as standard components to our comprehensive wellness strategy, as well as represent a proactive investment in our college's long-term health and productivity. Biometric screenings is a short health examination that provides employees with a snapshot of their current health status, while encouraging early detection, prevention, and healthier lifestyle choices.

MATC full-time employees and spouses on our health insurance plans, will need to participate in a biometrics screening (and possibly the RAS program based upon scoring), in order to receive the lowest premium for health insurance. The Value Proposition and Cost Management for Biometric Screening is as follows:

Value Proposition:

- Early detection of health risks, enabling timely interventions
- Empowered employees who are more engaged in managing their health
- Improved overall wellness, leading to reduced absenteeism
- Support for a culture of health that enhances recruitment and retention

Cost Management:

- Testing is provided at no cost to employees
- Offered on-site to reduce time away from work
- Data helps target wellness programming for maximum impact
- Participation may contribute to reduced health care claims and premium costs

Our biometric testing initiatives align with institutional goals surrounding employee well-being, preventive care, and sustainable benefits management. These efforts contribute directly to a healthier, more productive campus community. The cost of the screenings is estimated to be approximately \$100,000 which is based on testing just over 1,300 individuals (employees and spouses) at \$75 per person.

It's also important to note that participation in biometric testing can be linked to future incentives through a developing wellness program, and can support broader institutional efforts to control rising health care costs.

RELATIONSHIPS AMONG MATC STAFF MEMBERS AND/OR STUDENTS

A consensual romantic or sexual relationship between an employee or a subordinate employee may be exploitative in nature, leading to a conflict of interest for the person who is in the position of power and can affect the environment for other students and employees, or the manner in which they are treated. The sexual or romantic relationship, per se, is not the problem. Rather the problem is the conflict of interest and the potential discriminatory or damaging impact of the relationship when a power differential is involved. In keeping with this philosophy, employees are not prohibited from, but are strongly encouraged to avoid developing relationships of a romantic or sexual nature with a student who is currently enrolled in his/her class, a student who is currently receiving guidance from him/her, or an employee he or she is currently supervising. Such a relationship automatically creates the appearance of a conflict of interest.

MISCELLANEOUS PROVISIONS

1. Employees shall not, in their capacity as employees, make an entry in an account or record book or application, certificate, report, or statement, which in a material respect s/he intentionally falsifies.
2. Employees must meet all the requirements of state and federal laws and regulations pertaining to education and certification including the regulations of the Wisconsin Technical College System Board (WTCSB) and the Department of Public Instruction (DPI).

PENALTIES FOR VIOLATIONS

In the event any employee violates this policy, the employee's supervisor and/or the Board may consider any and all appropriate discipline including discharge.

Those employees whose conduct is governed by the State of Wisconsin Ethics Board in addition to action by the district board, could be sanctioned by the State of Wisconsin Ethics Board.

POLICY

Title: Ethics	Code: C0700
Authority: Board Minutes, 9/16/81; 11/22/94; 9/25/07	Original Adoption: 9/16/81 Last Revised: 8/15/25 Reviewed: 2025 Effective:

BACKGROUND

Milwaukee Area Technical College's Code of Ethics policy applies to all MATC employees. It is MATC's commitment that our actions will be conducted in accordance with the highest moral, legal, and ethical standards.

Our integrity is one of our most valuable assets, and every employee contributes to upholding this standard. A reputation built over years can be significantly damaged by one person's inappropriate actions. While this policy provides guidance to help strengthen MATC's reputation, we recognize that no written code can replace the thoughtful judgment of our employees, whose daily decisions are crucial to maintaining our standing in the community.

In addition to this Ethics Policy, the College Board has also approved a Conflict of Interest Policy (C0700-1), which is a sub-policy of this policy.

Definitions

For purposes of this policy:

- 1) **Family:** any family member by blood or marriage up to and including the level of first cousin, corresponding "step" relationships or any individual with whom an employee has a close personal relationship such as domestic partner, co-habitant, significant other, or any other person residing in an employee's household.
- 2) **Violence Against Women Act:** creates and supports comprehensive, cost-effective responses to domestic violence, sexual assault, dating violence and stalking.
- 3) **Consensual Relationship:** a romantic or sexual relationship that both parties have entered willingly
- 4) **Authority:** supervisory, advisory, evaluative, or other power or influence over another person
- 5) **Partner/Affiliate Group:** any organization, entity, or association other than MATC in which an employee has a personal or professional interest, or which they are formally or informally associated with.

Policy

It is essential that each employee abide by the following principles:

1. Carry out in good faith and with due diligence all policies and regulations established by the college Board and all procedures established by the administration.
2. Treat everyone with respect and in alignment with the College's WE CARE standards.
3. Engage honestly and fairly.

4. Abide by all laws and regulations including Wisconsin's Code of Ethics for Local Government Officials and Employees as set forth in [Wisconsin Statutes Chapter 19, Subchapter III](#), as applicable.
5. Use all institutional resources, including but not limited to, educational technology, video conferencing, and generative AI tools, responsibly to support academic and professional work while respecting the intellectual property of the college and others, and upholding standards of integrity, data privacy, and security.
6. Observe high moral and ethical standards in fulfillment of job responsibilities. In the case of faculty, staff and administrators who are required to maintain professional affiliations or certifications as part of their jobs, the College expects these faculty, staff and administrators to:
 - Follow and uphold their specific professional code of ethics
 - Meet all requirements of state and federal laws and regulations pertaining to their education and certification
 - Meet all regulations of the Wisconsin Technical College System Board (WTCSB), the Wisconsin Technical College System (WTCS), the Department of Public Instruction, the Department of Education and the Higher Learning Commission or any successor entities.
7. Provide a professional work environment that is free from physical, psychological, written or verbal intimidation, slander or harassment.
8. Accept the responsibility to protect children under the age of 18 from all forms of abuse and report any suspected abuse or neglect of a child to the state authorities.

I. Romantic or Sexual Relationships

There are inherent risks in any romantic or sexual relationship between individuals in unequal positions (such as faculty and student, supervisor and employee). The relationship may be less consensual than the person who has greater power perceives and may therefore be exploitative in nature. The relationship also may be viewed in different ways by each of the parties, particularly in retrospect. Furthermore, circumstances may change, and conduct that was previously welcome may become unwelcome.

Even when both parties have consented at the outset to a romantic or sexual involvement, this past consent may not remove grounds for a later charge of a violation of applicable College policy. The college does not wish to interfere with private choices regarding personal relationships when these relationships do not interfere with the goals and policies of the College. For the personal protection of members of this community, relationships of a romantic or sexual nature in which power differentials are inherent (employee-student, supervisor-staff) **are violations** of this policy.

Any consensual relationship between a supervisor and a subordinate, or an employee and a student, must be immediately reported to both the employee's direct supervisor and Human Resources. If the direct supervisor is in the relationship, it needs to be reported to their supervisor instead. The supervisor in consultation with Human Resources will determine, on a case-by-case basis what, if any, action will be taken by the college. These reports will be kept confidential to the extent possible. Failure to report romantic or sexual relationships of this nature will result in discipline, up to and including termination.

A. In general, the following types of Relationships between Employees and Students are a violation of this policy:

1. **Faculty Member and Student:** Consensual romantic or sexual relationships initiated by a faculty member with a student who is currently enrolled in their course or who the instructor reasonably anticipates may be enrolled in their course(s) in the future;
2. **Pre-existing Relationship:** Failure to disclose that a faculty member is already engaged in a consensual or romantic relationship with a student when the student enrolls in the faculty member's course, the faculty member must immediately disclose the relationship to their supervisor/department chair/dean or Human Resources and must fully cooperate in any actions taken to resolve the conflict;
3. **Other Employee and Student, or Pre-existing Instructor-Student Relationship:** A consensual romantic or sexual relationship between:
 - a) An employee (who is not the student's instructor) and a student over whom the employee has supervisory, advisory, evaluative, or other authority or influence; or
 - b) An instructor and a student where the instructor has supervisory, advisory, evaluative, or other authority or influence over the student, and the relationship began before the student came under the instructor's authority;

B. In general, the following types of Relationships between Supervisors and Employees are a violation of this policy:

1. **Relationships with Power Imbalance:** A consensual romantic or sexual relationship between two employees is a violation of this policy if one employee has supervisory, advisory, evaluative, or other authority or influence over the other, or if the employee reasonably believes they will have such authority in the future.
2. **Former Relationships:** If an employee has engaged in and terminated a romantic or sexual relationship with another employee, such relationship shall be deemed a violation of this policy if one or both employees have obtained restraining orders that prevent the other employee from contacting them or there is evidence of a situation that violates the Violence Against Women's Act.

II. Political Activities

In general, the following political activities are prohibited:

1. Using governmental authority to interfere with or affect nomination or election for any public office or position within any political party.

2. Using governmental authority or influence to intimidate, threaten or coerce any person to vote contrary to their own voluntary choosing.
3. Using governmental authority to directly or indirectly intimidate, threaten or coerce any person to pay, lend, or contribute anything of value, including services, to any party, organization, group, or individual for political purposes.
4. Using any governmental authority or influence to coerce any individual or group for political action or to confer benefits or effect reprisals to secure desired political action or inaction.
5. Soliciting or receiving subscriptions or contributions for any partisan political purpose while on college time while in a building, office or room occupied for any purpose by the college.
6. Using your official position at the College to advance a personal political agenda, rather than acting in the College's best interests.

III. Confidential Information

1. No employee shall use confidential information gained in the course of or by reason of their public position or official duties solely for either financial or non- financial private gain.
2. No employee may exploit their position with the college or confidential information gained through their employment with the college, for the benefit of family members or friends in seeking employment with the college or other remuneration.

Authority: Board Minutes, 9/16/81; 11/22/94; 9/25/07	Original Adoption: 9/16/81 Revised: 5/17/23 Reviewed: 5/17/23 Effective: 6/27/23

BACKGROUND

In 1992, the MATC District Board ("MATC District Board", "District Board" or "Board") appointed a full-time General Counsel to represent the District and monitor the use of outside legal counsel. This policy provides the guidance for selecting and assigning legal counsel.

SELECTION OF OUTSIDE LEGAL COUNSEL FOR THE BOARD

Commencing with the 94-97 term, the District has selected and implemented the Request for Proposal process through the Procurement Department to solicit proposals from area law firms detailing how they would represent the District in identified areas of law. Once those proposals are received, the President and General Counsel review them and invite a select group of firm representatives on campus for interviews.

After the interviews, reference checks are conducted and recommendations are made to the Board. Firms finally approved by the Board are so notified and they retain a relationship with the District for a three-year period unless otherwise notified.

MONITORING OF OUTSIDE LEGAL COUNSEL FOR THE BOARD

The General Counsel will closely monitor the assignment, billings, and efforts of outside legal counsel. The General Counsel will appoint specific attorneys based upon the RFP award criteria and individual expertise of the attorney. It is the General Counsel's responsibility to ensure the best legal representation is obtained in the most cost effective manner.

USE OF OUTSIDE LEGAL COUNSEL

Any District Board member may seek counsel from the District Board's approved Outside Legal Counsel.
