**Milwaukee Area Technical  
College District**

**June 30, 2024**

# Executive summary

December 11, 2024

To the Board of Education  
Milwaukee Area Technical College District  
700 W. State Street  
Milwaukee, WI 53233

We have completed our audit of the financial statements of Milwaukee Area Technical College District (the District) for the year ended June 30, 2024, and have issued our report thereon dated December 11, 2024. This letter presents communications required by our professional standards.

Your audit should provide you with confidence in your financial statements. The audit was performed based on information obtained from meetings with management, data from your systems, knowledge of your District's operating environment and our risk assessment procedures. We strive to provide you clear, concise communication throughout the audit process and of the final results of our audit.

Additionally, we have included information on key risk areas the Milwaukee Area Technical College District should be aware of in your strategic planning. We are available to discuss these risks as they relate to your organization's financial stability and future planning.

If you have questions at any point, please connect with us:

# Responsibilities

## Our responsibilities

As your independent auditor, our responsibilities include:

- Planning and performing the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. Reasonable assurance is a high level of assurance.
- Assessing the risks of material misstatement of the financial statements, whether due to fraud or error. Included in that assessment is a consideration of the District's internal control over financial reporting.
- Performing appropriate procedures based upon our risk assessment.
- Evaluating the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management.
- Forming and expressing an opinion based on our audit about whether the financial statements prepared by management, with the oversight of Board of Directors:
  - Are free from material misstatement
  - Present fairly, in all material respects and in accordance with accounting principles generally accepted in the United States of America
- Performing tests related to compliance with certain provisions of laws, regulations, contracts and grants, as required by *Government Auditing Standards*
- Considering internal control over compliance with requirements that could have a direct and material effect on major federal and major state programs to design tests of both controls and compliance with identified requirements
- Forming and expressing an opinion based on our audit in accordance with OMB's *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards* (Uniform Guidance) and *State Single Audit Guidelines* about the entity's compliance with requirements described in the *OMB Compliance Supplement* and *State Single Audit Guidelines* that could have a direct and material effect on each of its major federal and state programs.
- Our audit does not relieve management the Board of Directors of their responsibilities.

We are also required to communicate significant matters related to our audit that are relevant to the responsibilities of the Board of Directors, including:

- Internal control matters
- Qualitative aspects of the District's accounting practice including policies, accounting estimates and financial statement disclosures
- Significant unusual transactions
- Significant difficulties encountered
- Disagreements with management
- Circumstances that affect the form and content of the auditors' report
- Audit consultations outside the engagement team
- Corrected and uncorrected misstatements
- Other audit findings or issues

# Audit status

## Significant changes to the audit plan

There were no significant changes made to either our planned audit strategy or to the significant risks and other areas of emphasis identified during the performance of our risk assessment procedures.

# Audit approach and results

## Planned scope and timing

### Audit focus

Based on our understanding of the District and environment in which you operate, we focused our audit on the following key areas:

- Key transaction cycles
- Areas with significant estimates

Our areas of audit focus were informed by, among other things, our assessment of materiality. Materiality in the context of our audit was determined based on specific qualitative and quantitative factors combined with our expectations about the District's current year results.

## Key areas of focus and significant findings

### Significant risks of material misstatement

A significant risk is an identified and assessed risk of material misstatement that, in the auditor's professional judgment, requires special audit consideration. Within our audit, we focused on the following areas below.

Significant risk areas	Testing approach	Conclusion
Management override of controls	Incorporate unpredictability into audit procedures, emphasize professional skepticism and utilize audit team with industry expertise	Procedures identified provided sufficient evidence for our audit opinion
Improper revenue recognition due to fraud	Confirmation or validation of certain revenues supplemented with detailed predictive analytics based on non-financial data and substantive testing of related receivables	Procedures identified provided sufficient evidence for our audit opinion

### Other areas of emphasis

We also focused on other areas that did not meet the definition of a significant risk, but were determined to require specific awareness and a unique audit response.

Other areas of emphasis		
Cash and investments	Revenues and receivables	General disbursements
Payroll	Pension and OPEB liabilities	Long-term debt
Capital assets	Net position calculations	Financial reporting and required disclosures

## Internal control matters

We considered the District's internal control over financial reporting as a basis for designing our audit procedures for the purpose of expressing an opinion on the financial statements. We are not expressing an opinion on the effectiveness of the District's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis.

A material weakness is a deficiency or combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

# Required communications

## Qualitative aspect of accounting practices

- Accounting policies: Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we have advised management about the appropriateness of accounting policies and their application. The significant accounting policies used by District are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing accounting policies was not changed during 2024. We noted no transactions entered into by the District during the year for which accounting policies are controversial or for which there is a lack of authoritative guidance or consensus or diversity in practice.
- Accounting estimates: Accounting estimates, including fair value estimates, are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements, the degree of subjectivity involved in their development and because of the possibility that future events affecting them may differ significantly from those expected. The following estimates are of most significance to the financial statements:

Estimate	Management's process to determine	Baker Tilly's conclusions regarding reasonableness
Accrued compensated absences	Evaluation of hours earned and accumulated in accordance with employment policies and average wage per hour rates	Reasonable in relation to the financial statements as a whole
Net pension liability and related deferrals	Evaluation of information provided by the Wisconsin Retirement System	Reasonable in relation to the financial statements as a whole
IBNR related to health and dental claims	Historical claims analysis and report provided by a third-party administrator	Reasonable in relation to the financial statements as a whole
Allowance for doubtful accounts	Evaluation of historical revenues and loss levels with the analysis on collectability of individual amounts	Reasonable in relation to the financial statements as a whole
Net/Total OPEB liability and related deferrals	Key assumptions set by management with the assistance of a third-party actuary	Reasonable in relation to the financial statements as a whole
Depreciation	Evaluate estimated useful life of the asset and original acquisition value	Reasonable in relation to the financial statements as a whole
Subscription assets/liabilities	Evaluation of subscriptions by management and incremental borrowing rate used for present value calculation	Reasonable in relation to the financial statements as a whole

There have been no significant changes made by management to either the processes used to develop the particularly sensitive accounting estimates, or to the significant assumptions used to develop the estimates noted above.

- Financial statement disclosures: The disclosures in the financial statements are neutral, consistent and clear.

### **Significant unusual transactions**

There have been no significant transactions that are outside the normal course of business for the District or that otherwise appear to be unusual due to their timing, size or nature.

### **Significant difficulties encountered during the audit**

We encountered no significant difficulties in dealing with management and completing our audit.

### **Disagreements with management**

Professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter that could be significant to the basic financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

### **Audit report**

There have been no departures from the auditors' standard report.

### **Audit consultations outside the engagement team**

We encountered no difficult or contentious matters for which we consulted outside of the engagement team.

### **Uncorrected misstatements and corrected misstatements**

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. There were no misstatements identified.

### **Other audit findings or issues**

We encountered no other audit findings or issues that require communication at this time.

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the District's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

## **Other information in documents containing audited basic financial statements**

### *Annual report*

The District's audited financial statements will be included in the Annual Comprehensive Financial Report. Our responsibility for this information does not extend beyond the financial information identified in the audit report, and we are not required to perform any procedures to corroborate such other information. We have read the Annual Comprehensive Financial Report to determine whether a material inconsistency exists between the other information and the financial statements. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, was materially inconsistent with the information, or manner of its presentation, in the financial statements.

### *Official statements*

The District's audited financial statements are "general purpose" financial statements. General purpose financial statements consist of the basic financial statements that can be used by a broad group of people for a broad range of activities. Once we have issued our audit report, we have no further obligation to update our report for events occurring subsequent to the date of our report. The District can use the audited financial statements in other client prepared documents, such as official statements related to the issuance of debt, without our acknowledgement. Unless we have been engaged to perform services in connection with any subsequent transaction requiring the inclusion of our audit report, as well as to issue an auditor's acknowledgment letter, we have neither read the document nor performed subsequent event procedures in order to determine whether or not our report remains appropriate.

## **Management's consultations with other accountants**

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing or accounting matters.

## **Written communications between management and Baker Tilly**

The attachments include copies of other material written communications, including a copy of the management representation letter.

## **Compliance with laws and regulations**

We did not identify any non-compliance with laws and regulations during our audit.

## **Fraud**

We did not identify any known or suspected fraud during our audit.

## **Going concern**

Pursuant to professional standards, we are required to communicate to you, when applicable, certain matters relating to our evaluation of the District's ability to continue as a going concern for a reasonable period of time but no less than 12 months from the date of the financial statements, including the effects on the financial statements and the adequacy of the related disclosures, and the effects on the auditor's report. No such matters or conditions have come to our attention during our engagement.

## Group audits

The District's financial statements include information that was audited by other auditors as follows:

- Milwaukee Area Technical College Foundation Inc., a discretely presented component unit of the District, completed by Vrakas Advisors LLC.

In addition, if we had any concerns about the quality of work of the other auditors, if there were any limitations related to the group audit or if there was any fraud or suspected from involving group management, component management, employees who have significant roles in group-wide controls or others in which material misstatement of the group financial statements has or may have resulted from fraud we would be required to report those to you. We have not identified any circumstances that are required to be reported.

## Independence

We are not aware of any relationships between Baker Tilly and the District that, in our professional judgment, may reasonably be thought to bear on our independence.

## Related parties

We did not have any significant findings or issues arise during the audit in connection with the District's related parties.

## Other matters

We applied certain limited procedures to the required supplementary information (RSI) that supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI.

We were engaged to report on the supplementary information which accompanies the financial statements but is not RSI. With respect to the supplementary information, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

We were not engaged to report on the other information, which accompanies the financial statements but are not RSI. We did not audit or perform other procedures on this other information, and we do not express an opinion or provide any assurance on it.

## Nonattest services

The following nonattest services were provided by Baker Tilly:

- Financial statement preparation
- Preparation of Part II of the Data Collection Form

None of these nonattest services constitute an audit under generally accepted auditing standards, including *Government Auditing Standards*.

# Management representation letter

December 11, 2024

Baker Tilly US, LLP  
790 N. Water Street, Suite 2000  
Milwaukee, WI 53202

Dear Baker Tilly US, LLP:

We are providing this letter in connection with your audit of the financial statements of the Milwaukee Area Technical College District as of June 30, 2024 and 2023 and for the years then ended and for WMVS-WMVT-TV as of June 30, 2024 and 2023 and for the years then ended for the purpose of expressing an opinion as to whether the financial statements present fairly, in all material respects, the respective financial position of the business-type activities, the discretely presented component unit, and the remaining fund information of the Milwaukee Area Technical College District and the respective changes in financial position and cash flows, where applicable, in conformity with accounting principles generally accepted in the United States of America. We confirm that we are responsible for the fair presentation of the previously mentioned financial statements in conformity with accounting principles generally accepted in the United States of America. We are also responsible for adopting sound accounting policies, establishing and maintaining internal control over financial reporting, and preventing and detecting fraud.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in the light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, the following representations made to you during your audit.

### Financial Statements

- 1) We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated , including our responsibility for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP.
- 2) The financial statements referred to above are fairly presented in conformity with accounting principles generally accepted in the United States of America. We have engaged you to advise us in fulfilling that responsibility. The financial statements include all properly classified funds of the primary government and all component units required by accounting principles generally accepted in the United States of America to be included in the financial reporting entity.
- 3) We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

- 4) We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
- 5) Significant assumptions we used in making accounting estimates, including those measured at fair value, if any, are reasonable in accordance with U.S. GAAP.
- 6) All events subsequent to the date of the financial statements and for which accounting principles generally accepted in the United States of America require adjustment or disclosure have been adjusted or disclosed. No other events, including instances of noncompliance, have occurred subsequent to the financial statement date and through the date of this letter that would require adjustment to or disclosure in the aforementioned financial statements or in the schedule of findings and questioned costs.
- 7) All material transactions have been recorded in the accounting records and are reflected in the financial statements and the schedule of expenditures of federal and state awards.
- 8) There are no known or possible litigation, claims, and assessments whose effects should be considered when preparing the financial statements. There are no unasserted claims or assessments that our lawyer has advised us are probable of assertion and must be disclosed in accordance with accounting principles generally accepted in the United States of America.
- 9) Guarantees, whether written or oral, under which the Milwaukee Area Technical College District is contingently liable, if any, have been properly recorded or disclosed.

#### **Information Provided**

- 10) We have provided you with:
  - a) Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as financial records and related data, documentation, and other matters and all audit or relevant monitoring reports, if any, received from funding sources.
  - b) Additional information that you have requested from us for the purpose of the audit.
  - c) Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.
  - d) Minutes of the meetings of Board of Directors or summaries of actions of recent meetings for which minutes have not yet been prepared.
- 11) We have disclosed to you results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- 12) We have no knowledge of any fraud or suspected fraud that affects the entity and involves:
  - a) Management,
  - b) Employees who have significant roles in internal control, or
  - c) Others where the fraud could have a material effect on the financial statements.
- 13) We have no knowledge of any allegations of fraud or suspected fraud affecting the entity received in communications from employees, former employees, regulators, or others.

- 14) We have no knowledge of known instances of noncompliance or suspected noncompliance with provisions of laws, regulations, contracts, or grant agreements, or abuse, whose effects should be considered when preparing financial statements.
- 15) There are no related parties or related party relationships and transactions, including side agreements, of which we are aware.

#### **Other**

- 16) There have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices.
- 17) We have taken timely and appropriate steps to remedy fraud, noncompliance with provisions of laws, regulations, contracts or grant agreements, or abuse that you have reported to us.
- 18) We have a process to track the status of audit findings and recommendations.
- 19) We have identified to you any previous financial audits, attestation engagements, and other studies related to the audit objectives and whether related recommendations have been implemented.
- 20) We have provided our views on reported findings, conclusions, and recommendations, as well as our planned corrective actions, for our report.
- 21) The Milwaukee Area Technical College District has no plans or intentions that may materially affect the carrying value or classification of assets, deferred outflows of resources, liabilities, deferred inflows of resources or fund balance or net position.
- 22) We are responsible for compliance with federal, state, and local laws, regulations, and provisions of contracts and grant agreements applicable to us, including tax or debt limits, debt contracts, and IRS arbitrage regulations; and we have identified and disclosed to you all federal, state, and local laws, regulations and provisions of contracts and grant agreements that we believe have a direct and material effect on the determination of financial statement amounts or other financial data significant to the audit objectives, including legal and contractual provisions for reporting specific activities in separate funds.
- 23) There are no:
  - a) Violations or possible violations of budget ordinances, federal, state, and local laws or regulations (including those pertaining to adopting, approving and amending budgets), provisions of contracts and grant agreements, tax or debt limits, and any related debt covenants whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency, or for reporting on noncompliance, except those already disclosed in the financial statement, if any.
  - b) Other liabilities or gain or loss contingencies that are required to be accrued or disclosed by accounting principles generally accepted in the United States of America.
  - c) Rates being charged to customers other than the rates as authorized by the applicable authoritative body.
  - d) Violations of restrictions placed on revenues as a result of bond resolution covenants such as revenue distribution or debt service funding.

24) In regards to the nonattest services performed by you listed below, we acknowledge our responsibility related to these nonattest services and have 1) accepted all management responsibility; 2) designated an individual with suitable skill, knowledge, or experience to oversee the services; 3) evaluated the adequacy and results of the services performed, and 4) accepted responsibility for the results of the services.

a) Financial statement preparation

b) Preparation of auditee sections of the data collection form

None of these nonattest services constitute an audit under generally accepted auditing standards, including *Government Auditing Standards*.

- 25) The Milwaukee Area Technical College District has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset been pledged as collateral.
- 26) The Milwaukee Area Technical College District has complied with all aspects of contractual agreements that would have a material effect on the financial statement in the event of noncompliance.
- 27) The financial statements include all component units as well as joint ventures with an equity interest, and properly disclose all other joint ventures and other related organizations, if any. Component units have been properly presented as either blended or discrete.
- 28) The financial statements include all fiduciary activities required by GASB No. 84.
- 29) The financial statements properly classify all funds and activities.
- 30) Components of net position (net investment in capital assets; restricted; and unrestricted) and components of fund balance (nonspendable, restricted, committed, assigned and unassigned) are properly classified and, if applicable, approved.
- 31) The Milwaukee Area Technical College District has no derivative financial instruments such as contracts that could be assigned to someone else or net settled, interest rate swaps, collars or caps.
- 32) Provisions for uncollectible receivables, if any, have been properly identified and recorded.
- 33) Expenses have been appropriately classified in or allocated to functions and programs in the statement of activities, and allocations have been made on a reasonable basis.
- 34) Deposits and investments are properly classified, valued, and disclosed (including risk disclosures, collateralization agreements, valuation methods, and key inputs, as applicable).
- 35) Provision, when material, has been made to reduce excess or obsolete inventories to their estimated net realizable value.
- 36) Capital assets, including infrastructure and intangible assets, are properly capitalized, reported, and, if applicable, depreciated/amortized. Any known impairments have been recorded and disclosed.
- 37) Tax-exempt bonds issued have retained their tax-exempt status.

- 38) We have appropriately disclosed the Milwaukee Area Technical College District's policy regarding whether to first apply restricted or unrestricted resources when an expense is incurred for purposes for which both restricted and unrestricted net position are available and have determined that net position were properly recognized under the policy. We have also disclosed our policy regarding which resources (that is, restricted, committed, assigned or unassigned) are considered to be spent first for expenditures for which more than one resource classification is available.
- 39) We acknowledge our responsibility for the required supplementary information (RSI). The RSI is measured and presented within prescribed guidelines and the methods of measurement and presentation have not changed from those used in the prior period. We have disclosed to you any significant assumptions and interpretations underlying the measurement and presentation of the RSI.
- 40) With respect to the supplementary information, (SI):
- a) We acknowledge our responsibility for presenting the SI in accordance with accounting principles generally accepted in the United States of America, and we believe the SI, including its form and content, is fairly presented in accordance with accounting principles generally accepted in the United States of America. The methods of measurement and presentation of the SI have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplementary information.
  - b) If the SI is not presented with the audited financial statements, we will make the audited financial statements readily available to the intended users of the supplementary information no later than the date we issue the supplementary information and the auditor's report thereon.
- 41) We assume responsibility for, and agree with, the findings of specialists in evaluating the net OPEB liability and have adequately considered the qualifications of the specialists in determining the amounts and disclosures used in the financial statements and underlying accounting records. We did not give or cause any instructions to be given to specialists with respect to the values or amounts derived in an attempt to bias their work, and we are not otherwise aware of any matters that have had impact on the independence or objectivity of the specialists.
- 42) We agree with the reclassification of the prior year information presented in the current year financial statements.
- 43) We assume responsibility for, and agree with, the information provided by the Wisconsin Retirement System as audited by the Legislative Audit Bureau relating to the net pension asset/liability and related deferred outflows and deferred inflows and have adequately considered the reasonableness of the amounts and disclosures used in the financial statements and underlying accounting records. We also assume responsibility for the census data that has been reported to the plan.
- 44) We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services or third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as the measurement date in accordance with the requirements of GASB 72 – *Fair Value Measurement*. In addition our disclosures related to fair value measurements are consistent with the objectives outlined in GASB 72. We have evaluated the fair value information provided to us by brokers, pricing services or other parties that has been used in the financial statements and believe this information to be reliable and consistent with the requirements.

- 45) The auditing standards define an annual report as “a document, or combination of documents, typically prepared on an annual basis by management or those charged with governance in accordance with law, regulation, or custom, the purpose of which is to provide owners (or similar stakeholders) with information on the entity’s operations and the financial results and financial position as set out in the financial statements.” Among other items, an annual report contains, accompanies, or incorporates by reference the financial statements and the auditors’ report thereon. Our annual report is comprised of the Annual Comprehensive Financial Report. We have provided you with the final version of the annual report. There are no material inconsistencies between the financial statements and any other information contained within the annual report.
- 46) With respect to federal and state award programs:
- a) We are responsible for understanding and complying with and have complied with the requirements of the Single Audit Act Amendments of 1996, *OMB’s Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), *State Single Audit Guidelines*, including requirements relating to preparation of the schedule of expenditures of federal and state awards (SEFSA).
  - b) We acknowledge our responsibility for preparing and presenting the SEFSA and related disclosures in accordance with the requirements of the Uniform Guidance and the State Single Audit Guidelines, and we believe the SEFSA, including its form and content, is fairly presented in accordance with the Uniform Guidance and the *State Single Audit Guidelines*. The methods of measurement and presentation of the SEFSA have not changed from those used in the prior period and we have disclosed to you any significant assumptions and interpretations underlying the measurement and presentation of the SEFSA.
  - c) If the SEFSA is not presented with the audited financial statements, we will make the audited financial statements readily available to the intended users of the SEFSA no later than the date we issue the SEFSA and the auditors’ report thereon.
  - d) We have identified and disclosed to you all of our government programs and related activities subject to the Uniform Guidance and the *State Single Audit Guidelines* and included in the SEFSA, expenditures made during the audit period for all awards provided by federal agencies in the form of grants, federal cost reimbursement contracts, loans, loan guarantees, property (including donated surplus property), cooperative agreements, interest subsidies, insurance, food commodities, direct appropriations, and other direct assistance.
  - e) We are responsible for understanding and complying with, and have complied with the requirements of laws, regulations, and the provisions of contracts and grant agreements related to each of our federal and state programs and have identified and disclosed to you the requirements of laws, regulations, and the provisions of contracts and grant agreements that are considered to have a direct and material effect on each major federal and state program.
  - f) We are responsible for establishing and maintaining, and have established and maintained, effective internal control over compliance for federal and state programs that provide reasonable assurance that we are administering our federal and state awards in compliance with laws, regulations, and the provisions of contracts and grant agreements that could have a material effect on our federal and state programs. We believe the internal control system is adequate and is functioning as intended. Also, no changes have been made in the internal control over compliance or other factors to the date of this letter that might significantly affect internal control, including any corrective action taken with regard to control deficiencies reported in the schedule of findings and questioned costs.

- g) We have made available to you all contracts and grant agreements (including amendments, if any) and any other correspondence with federal or state agencies or pass-through entities relevant to the programs and related activities.
- h) We have received no requests from a federal or state agency to audit one or more specific programs as a major program.
- i) We have complied with the direct and material compliance requirements including when applicable, those set forth in the OMB Compliance Supplement and the State Single Audit Guidelines, relating to federal and state awards.
- j) We have disclosed any communications from grantors and pass-through entities concerning possible noncompliance with the direct and material compliance requirements, including communications received from the end of the period covered by the compliance audit to the date of the auditors' report.
- k) Amounts claimed or used for matching were determined in accordance with relevant guidelines in the Uniform Guidance.
- l) We have disclosed to you our interpretation of compliance requirements that may have varying interpretations.
- m) We have made available to you all documentation related to the compliance with the direct and material compliance requirements, including information related to federal and state program financial reports and claims for advances and reimbursements.
- n) We have disclosed to you the nature of any subsequent events that provide additional evidence about conditions that existed at the end of the reporting period affecting noncompliance during the reporting period.
- o) We are not aware of any instances of noncompliance with direct and material compliance requirements that occurred subsequent to the period covered by the auditors' report.
- p) No changes have been made in internal control over compliance or other factors that might significantly affect internal control, including any corrective action we have taken regarding significant deficiencies or material weaknesses in internal control over compliance, subsequent to the date as of which compliance was audited.
- q) Federal and state program financial reports and claims for advances and reimbursements are supported by the books and records from which the financial statements have been prepared.
- r) The copies of federal and state program financial reports provided you are true copies of the reports submitted, or electronically transmitted, to the respective federal and state agency or pass-through entity, as applicable.
- s) We have monitored subrecipients to determine that they have expended pass-through assistance in accordance with applicable laws and regulations and have met the requirements of the Uniform Guidance and the *State Single Audit Guidelines*.

## Revised guidance for accounting changes and error corrections

GASB Statement No. 100, *Accounting Changes and Error Corrections*, an amendment of *GASB Statement No. 62*, seeks to provide more understandable, reliable, relevant, consistent and comparable information for making decisions and assessing accountability.

The standard establishes the following categories:

1. Accounting changes, which is comprised of:
  - a. Changes in accounting principles – result from a change from one generally accepted accounting principle to another that is justified on the basis that the newly adopted principle is preferable to the previously applied principle, or the implementation of a new pronouncement.
  - b. Changes in accounting estimates – occur when inputs change due to a change in circumstances, new information, or more experience. Note that the focus is on changes to the inputs used; a change in the value of an input such as an annual inflation update does not require disclosure under this standard.
  - c. Changes to or within the financial reporting entity – result from the addition or removal of a fund that results from the movement of continuing operations (such as moving sanitation operation from the general fund to its own separate fund), a change in a fund's presentation as major or nonmajor, the addition or removal of a component unit (with certain exceptions), or a change in a component unit's presentation as blended or discretely presented.
2. Error corrections – result from mathematical mistakes, mistakes in the application of accounting principles, or oversight or misuse of facts that existed at the time of the financial statements were issued (i.e., facts that could reasonably be expected to have been obtained and considered at that time).

A summary of the reporting impact of each category is as follows:

Reporting considerations	Accounting changes			
	Change in accounting principle	Change in estimate	Change to the financial reporting entity	Correction of an error
Basic financial statement schedules:	Restate earliest period presented	Report prospectively	Adjust current year beginning balances	Restate earliest period presented
Required supplementary information & supplementary information:	Should match the financial statement presentation noted above; no adjustments to earlier periods needed			Restate all periods impacted
Additional disclosures?	Yes	Yes	Yes	Yes

The District should become familiar with the new guidance in advance of the implementation effective date.

## Updated accounting and reporting for compensated absences

The Governmental Accounting Standards Board (GASB) issued its Statement No. 101, *Compensated Absences*, in June 2022. The objective of GASB 101 is to update the recognition and measurement guidance for compensated absences for state & local government employers. It supersedes GASB No. 16, *Accounting for Compensated Absences*, issued in 1992, as well as earlier guidance, and addresses changes resulting from the types of leave now being offered. GASB 101 is effective for fiscal years beginning after December 15, 2023 (i.e., December 31, 2024, and June 30, 2025 year-end reporting entities).

GASB 101 more appropriately reflects a liability *when* a government incurs an obligation for compensated absences, and will improve comparability of reporting between governments that offer different types of leave. It requires that liabilities be recognized for (1) leave that has not been used, and (2) leave that has been used but not yet paid in cash or settled-up via non-cash means. Compensated absences is defined as leave for which employees may receive one or more of the following:

- Cash payments when the leave is used for time off;
- Other cash payments, such as payment for unused leave upon termination of employment, or;
- Noncash settlements, such as conversion to defined benefit postemployment benefits.

Examples of compensated absences provided in GASB 101 include vacation, sick leave, paid time off (PTO), holidays, parental leave, bereavement leave, and certain types of sabbatical leave. Payment or settlement of compensated absences could occur during employment, or upon termination of employment. GASB 101 does not apply to benefits that are within the scope of GASB 47, *Accounting for Termination Benefits*.

GASB 101 requires that a liability should be recognized for leave that has not been used if all of the following are true:

- The leave is attributable to services already rendered;
- The leave accumulates, and;
- The leave is “more likely than not” (i.e., likelihood of more than 50%) to be used for time off or otherwise paid in cash or settled through noncash means (101 provides factors to assess this criteria). (This differs from GASB 16, which required payment to be “probable” to be recognized).

Under GASB 101, governments will now need to accrue for time that has accumulated and is likely to be used, even if the employee is not eligible for a payout upon termination. This was not a requirement under GASB 16, and thus may result in a higher compensated absence liability.

GASB 101 requires liabilities for compensated absences to be recognized in financial statements prepared using the economic resources measurement focus equal to the amount of leave that has not yet been used and leave that has been used but not yet paid or settled. GASB 101 did not change the report for financial statements prepared using the current financial resources measurement focus (i.e., governmental funds).

Other changes in financial statement disclosures include the change in compensated absences liability can now be disclosed as a net change, rather than gross increases/decreases in the liability. Also, governments are no longer required to disclose which fund has typically liquidated the liability.

We recommend that governments begin to review the guidance contained in GASB 101 within the context of your existing compensated absences policies and accounting practices, in order to be better informed in terms of the information that you will need for this implementation.

### **New guidance on disclosure of certain risks**

The requirements in GASB Statement No. 102, *Certain Risk Disclosures* is meant to provide financial statement users with information about certain risks when circumstances make a government vulnerable to a heightened possibility of loss or harm. It requires governments to disclose essential information about risks related to vulnerabilities due to certain concentrations or constraints.

- (a) The Statement defines a concentration as a lack of diversity related to an aspect of a significant inflow or outflow of resources - for example, a small number of companies that represent a majority of employment in a government's jurisdiction, or a government that relies on one revenue source for most of its revenue.
- (b) The Statement defines a constraint as a limitation imposed on a government by an external party or by formal action of the government's highest level of decision-making authority - such as a voter-approved property tax cap or a state-imposed debt limit.

Concentrations and constraints may limit a government's ability to acquire resources or control spending.

The Statement generally requires a government to disclose information about a concentration or constraint if all of the following criteria are met:

- (a) The concentration or constraint is *known* to the government prior to issuing the financial statements.
- (b) The concentration or constraint makes the government vulnerable to the risk of a substantial impact.
- (c) An event or events associated with the concentration or constraint that could cause a substantial impact have occurred, have begun to occur, or are more likely than not to begin to occur within 12 months of the date the financial statements are issued.

The disclosures should include a description of the following:

- The concentration or constraint,
- Each event associated with the concentration or constraint that could cause a substantial impact if the event has occurred or has begun to occur prior to the issuance of the financial statements, and
- Actions taken by the government to mitigate the risk prior to the issuance of the financial statements.

## Changes to the financial reporting model

GASB Statement 103, *Financial Reporting Model Improvements*, builds on Statement 34 by providing key targeted improvements to the financial reporting model. Its requirements are designed to:

- Enhance the effectiveness of governmental financial reports in providing information essential for decision making and assessing a government's accountability, and
- Address certain application issues.

The targeted improvements contained in Statement 103 establish or modify existing accounting and financial reporting requirements related to:

- Management's discussion and analysis - While the overall requirements do not substantially change management's discussion and analysis, the modifications are meant to improve the analysis included in this section and provide details about the items that should be discussed as currently known facts, decisions, or conditions expected to have a significant financial effect in the subsequent period.
- Unusual or infrequent items (previously known as extraordinary and special items) - The new Statement simplifies GASB literature by eliminating the separate presentation of extraordinary and special items. Under the requirement of Statement 103, applicable items will either be identified as unusual or infrequent, or both.
- Presentation of the proprietary fund statement of revenues, expenses, and changes in fund net position - The changes are designed to improve consistency around the classification of items in these statements by better defining what should be included in operating revenues and expenses and nonoperating revenues and expenses including, for example, the addition of subsidies received or provided as a new category of nonoperating revenues and expenses.
- Major component unit information, and Budgetary comparison information - Statement 103 is designed to improve the consistency of the reporting of major component unit information and budgetary comparison information by specifying required placement of that information.

# Two-way audit communications

As part of our audit of your financial statements, we are providing communications to you throughout the audit process. Auditing requirements provide for two-way communication and are important in assisting the auditor and you with more information relevant to the audit.

As this past audit is concluded, we use what we have learned to begin the planning process for next year's audit. It is important that you understand the following points about the scope and timing of our next audit:

- a. We address the significant risks of material misstatement, whether due to fraud or error, through our detailed audit procedures.
- b. We will obtain an understanding of the five components of internal control sufficient to assess the risk of material misstatement of the financial statements whether due to error or fraud, and to design the nature, timing and extent of further audit procedures. We will obtain a sufficient understanding by performing risk assessment procedures to evaluate the design of controls relevant to an audit of financial statements and to determine whether they have been implemented. We will use such knowledge to:
  - Identify types of potential misstatements.
  - Consider factors that affect the risks of material misstatement.
  - Design tests of controls, when applicable, and substantive procedures.
- c. We will not express an opinion on the effectiveness of internal control over financial reporting or compliance with laws, regulations and provisions of contracts or grant programs. For audits performed in accordance with *Government Auditing Standards*, our report will include a paragraph that states that the purpose of the report is solely to describe the scope of testing of internal control over financial reporting and compliance and the result of that testing and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance and that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering internal control over financial reporting and compliance. The paragraph will also state that the report is not suitable for any other purpose.
- d. The concept of materiality recognizes that some matters, either individually or in the aggregate, are important for fair presentation of financial statements in conformity with generally accepted accounting principles while other matters are not important. In performing the audit, we are concerned with matters that, either individually or in the aggregate, could be material to the financial statements. Our responsibility is to plan and perform the audit to obtain reasonable assurance that material misstatements, whether caused by errors or fraud, are detected.

Our audit will be performed in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards*, OMB's *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and the *State Single Audit Guidelines*.

We will not express an opinion on the effectiveness of internal control over financial reporting or compliance with laws, regulations, and provisions of contracts or grant programs. For audits done in accordance with *Government Auditing Standards*, the Uniform Guidance, and the *State Single Audit Guidelines*, our report will include a paragraph that states that the purpose of the report is solely to describe (a) the scope of testing of internal control over financial reporting and compliance and the result of that testing and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance, (b) the scope of testing internal control over compliance for major programs and major program compliance and the result of that testing and to provide an opinion on compliance but not to provide an opinion on the effectiveness of internal control over compliance and, (c) that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering internal control over financial reporting and compliance and the Uniform Guidance, and the *State Single Audit Guidelines*, in considering internal control over compliance and major program compliance. The paragraph will also state that the report is not suitable for any other purpose.

- e. Your financial statements contain components, as defined by auditing standards generally accepted in the United States of America, which we also audit.
- f. In connection with our audit, we intend to place reliance on the audit of the financial statements of the Milwaukee Area Technical College Foundation, Inc., a discretely presented component unit of the District, as of June 30, 2025 and for the year then ended completed by Vrakas Advisors LLC. All necessary conditions have been met to allow us to make reference to the component auditors.

We are very interested in your views regarding certain matters. Those matters are listed here:

- a. We typically will communicate with your top level of management unless you tell us otherwise.
- b. We understand that the governing board has the responsibility to oversee the strategic direction of your organization, as well as the overall accountability of the entity. Management has the responsibility for achieving the objectives of the entity.
- c. We need to know your views about your organization's objectives and strategies, and the related business risks that may result in material misstatements.
- d. Which matters do you consider warrant particular attention during the audit, and are there any areas where you request additional procedures to be undertaken?
- e. Have you had any significant communications with regulators or grantor agencies?
- f. Are there other matters that you believe are relevant to the audit of the financial statements?

Also, is there anything that we need to know about the attitudes, awareness and actions of the governing body concerning:

- a. The entity's internal control and its importance in the entity, including how those charged with governance oversee the effectiveness of internal control?
- b. The detection or the possibility of fraud?

We also need to know if you have taken actions in response to developments in financial reporting, laws, accounting standards, governance practices, or other related matters, or in response to previous communications with us.

With regard to the timing of our audit, here is some general information. If necessary, we may do preliminary financial audit work during the months of June-July, and sometimes early in August. Our final financial fieldwork is scheduled during September to best coincide with your readiness and report deadlines. After fieldwork, we wrap up our financial audit procedures at our office and may issue drafts of our report for your review. Final copies of our report and other communications are issued after approval by your staff. This is typically 6-12 weeks after final fieldwork, but may vary depending on a number of factors.

Keep in mind that while this communication may assist us with planning the scope and timing of the audit, it does not change the auditor's sole responsibility to determine the overall audit strategy and the audit plan, including the nature, timing and extent of procedures necessary to obtain sufficient appropriate audit evidence.

We realize that you may have questions on what this all means, or wish to provide other feedback. We welcome the opportunity to hear from you.
